Dear Upcoming 6th, 7th, & 8th Graders,

Welcome to summer reading! In order to maintain the reading skills you have acquired this year, you will be required to complete book reports this summer. You must read at least two books this summer. One book must be from the list below, and the other book is your choice. The second book may be by the same author, or a sequel to one of the books on the list.

On the back of this page is a chart of activities. You need to complete **three** activities; each one must be from a different column. You must do at least one activity per book. For example, you can do two activities about one book, and one activity on the other book. Please bring your work in on the first day of school.
