

## **Kentucky NSDA,**

Our District Committee for the next two years was announced earlier this week, and we all wish the committee congratulations! I know Michael will do a GREAT job as Chair! 😊

### **Kentucky** (14 ballots cast)

Michael Robinson - Chair  
Ryan Lee Brown  
Katy Cecil  
Steve Meadows  
Rachel Page

Murray HS  
Rowan County Sr HS  
Larue County HS  
Danville HS  
Larry A Ryle HS

I will be working in the transition with the committee so that we may formalize the duties of the committee as a whole (evolving from everything on the Chair to the Chair parsing out certain duties to the committee) to help make the job a bit more manageable and consistent as transitions occur. I look forward to working with this crew to do all of that and to help Michael as he takes the reigns.

### **FOR NSDA NATIONALS:**

- a. LD/PFD topics plus Extemp (IX and US) Topic Areas and Commentary Areas plus the Congressional Debate legislation have been announced and [are available here.](#)
- b. All schools attending need to please send me a list of the following by May 11:
  1. At what hotel your group is staying
  2. The adults who are traveling with your group and their cell phone #s

This is immensely helpful to me when down there so I may contact you all at once with tournament news and info.

That's all for now. Stay tuned for website updates later this month!

Steve Meadows, KY NSDA Chair / Danville High School
