

Welcome to the 2022 Cypress Head Mens Golf Association

MGA – President’s Message 2022

First of all, let me thank all of the past officers and volunteers that have made the Cypress Head Mens Golf Association the great organization that it is. Next, I would like to thank all of the members for their words of encouragement, and support of my presidency and the newest members of my volunteer staff.

This handbook, along with the MGA website, will provide members with the latest by-laws, roster of players, schedule of events and tournaments of the day, and any other pertinent information. As before, the results of the current week’s tournament will be posted on the MGA website as well as the bulletin board in the clubhouse hallway.

Should any member have any concerns or questions, please feel free to ask me or any member of my staff, so that it may be discussed and/or acted upon. Together, with your support, I’m positive that this year will be enjoyable. So, in closing, let’s play golf and have some FUN.

Thank you.

Jack Nahri
President
