ABOUT BARLEE

Barlee is caffeine-free, barley-based herbal instant beverage that tastes like a rich cup of coffee but without stimulants and side effects associated with coffee and tea.

Barlee coffee substitute is not a decaffeinated product but a natural coffee alternative that features both the coffee-like flavor and texture and the health benefits of herbs such as Dandelion, Echinacea and Rose Hip.

Barlee coffee substitute is a great alternative for those who would like to eliminate caffeine from their diets and enjoy benefits of health-promoting herbs.

**100% NATURAL
NO SUGAR, NO CAFFEINE, NO ACIDITY
