**THIS PRESENTATION OF SELECTED WORKS IS THE FIRST PUBLIC MUSEUM VIEWING IN FIFTY YEARS!**

*Rediscover the Artistry of this Iowa-born, and nearly-forgotten, American Artistic Master*

- *A Renegade among the Renegade Regionalist's William D. Sturdevant could be the 'missing fourth man' of the Regionalist Depression-Era triumvirate of Benton, Curry, and Wood.*
- *His work evinces an artistic-bridge from the regionalist/social-realism genre to the modern abstract expressionism by American artists.*
- *An Iowa-born Painter, Sculptor, Writer, Father, and Teacher, who represents the virtues of an American Artistic Master. His works were exhibited in Boston, Chicago, New York City, California, Mexico City, and Tokyo, yet never in Iowa, UNTIL NOW!*
- *A display of prolific skill & scope of subject-matter! A range of works not seen in recent times from an individual artist, and perhaps one of the best artistic collections on display in Iowa.*

**A Must See Exhibit and an Artistic Treasure for Iowans!**

*Please make a donation and support this and future public Art exhibits.*
