

## Be Kind Belize Dog Safety Worksheet

Name \_\_\_\_\_

Class \_\_\_\_\_

Date \_\_\_\_\_

### Did you know?

- About half of all children are likely to be bitten by a dog sometime between the age of 7 and 12 years of age.
- Boys are more likely to be bitten than girls .
- Many children need to see a doctor after they have been bitten by a dog.
- Most are bitten by a dog that they know, not a stray dog on the streets.

### Why does this happen?

Answer the worksheet questions below and discuss your answers carefully.

(To be used in conjunction with the Dog Safety fact sheet)

### Is it OK to pet this dog?
