President's Message

Congratulations to the players that advanced to the match play of the President's Cup Tournament.

I have had members complain about the lack of golf etiquette in our tournaments and skin games. If our members follow the guidelines that follow, it will make the game more enjoyable for everyone.

On the Putting Green

Players should not stand on another player's line of putt or when he is making a stroke, cast a shadow over his line of putt, or make any type of noise to distract him. Players should remain on or close to the putting green until all players in the group have holed out.

Be ready to play

Players should be ready to play as soon as it is their turn to play. When playing on or near the putting green. They should leave their bags or carts in such a position as will enable quick movement off the green and towards the next tee. When the play of a hole has been completed, players should immediately leave the putting green.

Bunkers

Before leaving the bunker, players should carefully fill up and smooth over all holes and footprints made by them and any nearby made by others.

Repair of divots

Players should repair any divot holes made by them, either by pouring sand into the divot hole or replacing grass into the divot hole.

Movement of golf carts

Drivers should be aware of where other members are in the fairway, so as not distract him during his set-up and shot. Players should not drive up to a tee box when players are teeing off.

Unlike many sports, golf is played without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other players and to abide by the rules. All members should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive you may be.

Fred Street
President

Tournament News

Let the match play begin! Remember there are some more great prizes and good competition and fun to be played out over the next 5 or 6 weeks. It's time to give it your best shot in a one-on-one match play.

Congratulations to all the flight winners: (A) Brian Dancses 72, (B) Chris Kaplan 71, (C) Jerry McKee 64 and (D) Adam Nomura 63.

We had a total of 68 players tee it up in four flights. This turnout was looking pretty good until we had a few players scratch. So far this year our turnouts have been very good and I would like to encourage you all to keep it up! The bigger the turnouts the more we can offer in the way of extending the payouts. We pay 25% of the field and if you do the math you will see that the more participation we have the more we will be able to give back. Next month we will be paying out 33% of the field.

Our next tournament is the Member/Member. It is a two day event on March 14th & 15th and will be mixed formats. One day will be formats which make for a postable round and the second day will be non-postable formats. We will have lunch on both days and are setting the price at \$150. Members who have not played in at least 1 tournament play to Low Index. There is a maximum 8 stroke differential. I prefer that you find your own partners but if not please sign up as a single and I will do my best to pair you up with someone of the same playing ability. The early sign ups have the best chance for success in blind pairing and/or getting your tee time requests. (First come, first served)
