

## YOU ARE 6 TIMES MORE LIKELY TO CRASH WHEN TEXTING AND DRIVING THAN DRUNK DRIVING

=

1.6 million car accidents are caused by texting and driving every year.

4,015 People Die Every Year from Texting and Driving

**IT TAKES AN AVERAGE OF 3 SECONDS FOR  
A PERSON TO READ A TEXT**

**A PERSON DRIVING AT 70 MPH READING A TEXT WILL BE  
MOVING 315 FEET PER SECOND WHICH IS ALMOST THE  
ENTIRE LENGTH OF A FOOTBALL FIELD**

**YOUR VEHICLE BECOMES A FREIGHT TRAIN HEADING  
TOWARDS THE POINT OF NO RETURN.**

*"The crude reality is that you will be sharing the road with motorists in front, behind, to the left and right of you while they type and read their texts and... there is **NOTHING** you can do about it. You could be the best defensive driver and yet your safety and well-being is in someone else's hands". Share this information with your friends and loved ones and have them **sign** the "No More Texting and Driving Personal Agreement" **NOW.***

I \_\_\_\_\_ **promise on** \_\_\_\_\_,  
**that I will never read or send a text while driving.**
