Vince Borrelli:

Vince was Andrew's #1 pitcher during the 2019 season. He is a hard working athlete and focused on being a complete player. When not on the field, he could be found in the weight room.

Vince is also a great student and has a very bright future.

Congrats & Good Luck!

Next year, Vince will be continuing his baseball career at South Suburban College.

Some people come into our lives and quickly go.

Others stop and stay awhile and leave footprints on our hearts and we are never, ever the same.

The Stockwell Family, in honor of Rich, thank you so very much for your support, your generosity, your kindness, and your love.

Thank you to our family, friends, firefighters, and Andrew Baseball Family,
