

On Site ROCAME Jamboree Event Day April 30, 2022

Do we think that we should plan for each group to be on campus about 2 hours? Invite the first LEA to arrive at 8:30am and stagger the other teams by one hour increments?

8:30, 9:30, 10:30, 11:30, 12:30

Run events at 9:00, 10:00, 11:00, 12:00, 1:00

I think that this should be staggered throughout the day to prevent groups from being in close proximity.

I am thinking that this will not occur since we are hoping to keep LEAs separated.
