Dear Sirs:

Allow me to introduce myself, my name is Glenda Palacios, I have an online store for the USA and we are representatives of "CAJONES NATIVO" in the USA, these cajons are created for anyone who wants to feel the rhythm in their hands and without having to be musicians, can create music, wherever and whenever they want, with an instrument made by people who love its essence and what it represents, that is why our cajons fall in love from the first contact like no other cajon does in the whole world.

We will be happy to have you within our exclusive group of clients.

For orders you can call 593(991475583)
