## RESPONSIBILITIES OF FEET PARENTS

### 1. 1. ASSIST IN THE CLASSROOMS AS ASSIGNED

Parents who sign their children up for classes (including nursery & preschool) will be responsible to serve as a Teaching Assistant (TA) on a rotating basis. Frequency of assisting will depend on the number of other parents available to serve. Parents must find their own replacement when unable to assist at their scheduled times. Each time you assist, you are responsible for supervising all activities of your assigned class(es).

This will include:

- a. Assisting the instructor as directed.
- b. Gently encouraging attentive, respectful behavior from students.
- c. Helping pick-up/clean-up in the classroom as needed.
- d. Escort the students to the next class at the end of your shift.
- e. Watch or pay special attention to children visiting (typically in the spring).

### 2. 2. FULFILL ASSIGNED SET-UP/CLEAN-UP TASK.

In an effort to facilitate the basic needs of the cooperative in a timely manner each FEET member will complete an assigned task either before or after FEET meetings. This task, such as vacuuming, cleaning tables, moving chairs, etc. is assigned at Orientation.

## FEET POLICIES

1. An email will go out if there are any cancellations/rescheduling.
2. Please call instructors or teacher liaison promptly if there are any questions or concerns concerning their class.
3. Please retrieve your younger children promptly after class, before attending to other business. (Nursery will run until 12:15 to make clean-up easier for the parents.)
4. A parent **MUST** be in the building if any of their children are attending FEET classes. If this is not possible for you, please do not sign up for classes. The only exception could be on a case to case basis approved by steering at least 72 hours in advance.
  - o Please do not schedule appointments or errands during FEET mornings.
  - o Parents are not allowed to designate another party as guardian of their children.
  - o In the event of illness in your household with symptoms within 48 hours prior to a meeting, it is best for all of your family to miss classes, even if only one of you is sick.
  - o If you will be absent, **it is essential that you find a sub** for your chore and TA position. Notify a member of the steering team with your choice of replacement.

Why is this policy in place?

- o It protects FEET from legal issues (and also the church).
  - o It provides the ample number of extra parents to assist the teachers in the classrooms (especially if a parent is missing and we need a replacement).
  - o It provides support to our current members. The mission of FEET is not only to provide classes, but also to encourage homeschooling parents.
5. In case of bad weather, cancellations will be made via email. In most cases, the FEET steering committee (Board) will make decisions about cancelling FEET the night before

FEET is to meet. This is because teachers must have early notice of cancellation due to commute length. FEET uses information from the area school districts to make weather-related decisions. If you feel uncomfortable about the driving conditions, please do what is best for your family. If possible, we will make up the class by adding an additional FEET morning at the end of the class year.

6. There are no monitored study hall rooms for students not enrolled in class. Parents are required to supervise their own children.
7. FEET members are welcome to invite friends/relatives to visit. Please have them contact the FEET registrar to schedule their visit so that class lists may be checked, teachers are contacted, liability is addressed, and it's not disruptive to members. Classrooms and supplies are limited, thus we are not able to allow alumni/former FEET members to visit the classrooms. Alumni/former member parents are always welcome in the parents' room, however with prior approval.

## BUILDING GUIDELINES

1. Enter and exit through the front door facing HWY 25. To be respectful of others who may be in the building, limit your use of the building to the area(s) FEET rents.
2. Please treat the bathrooms like you would at home. Do not flush excessive toilet paper down the toilets, or anything other than toilet paper down the toilet. Please keep the bathrooms tidy. Please use only the restrooms designated for FEET use (see map).
3. Please refrain from sending snacks with your children. FEET is a peanut-free co-op. This policy helps protect children with allergies to certain foods, limits disruptions to teaching, and helps keep the church clean. Children in the Nursery and Pre-K/Kindergarten classes will be given "safe" snacks.
4. Treat the church with care. If you use an item, please return it to the appropriate location.
5. No running in the halls.
6. Pick up your children promptly. Children become your responsibility once classes are dismissed (at noon).

## STANDARDS OF BEHAVIOR

- Listen when someone else (especially the teacher) is talking.
- Raise your hand if you have something to say.
- Be considerate and kind to those younger than you.
- Teachers/Other Adults should be addressed formally as Mr./Mrs./Miss.
- Keep hands to yourself.

## DISCIPLINE

If your child's behavior becomes disruptive to his/her age group or the instructors in any way you will be notified of the problem by a Steering Committee member so that you may work to correct it. Co-op participation is to be considered a privilege, which could be revoked if behavior problems were to remain consistent and not corrected. Should this happen, no refund would be issued.

TO CLARIFY: Discipline issues will be dealt with as follows:

If there is a problem with student behavior, the parent will be contacted directly. After the second offense, the parent must choose to sit with the student in classes or remove the student from the co-op classes entirely.

If two teachers are in the class at the same time, each receives half payment. If one teacher teaches grades 1-2 and 3-4, and another teaches grades 5-6, the first teacher would receive 2/3 of the pay and the latter 1/3.) This formula applies to any age class led by two or more member teachers.
  - c. Payment per class hour for teachers who are not members of FEET will be negotiated on an individual basis.
