

We Are Looking For Food and Beverage Donations/Contacts

Woodbridge High School Grad Night is a longstanding tradition where students are invited to an all-night supervised party to celebrate their graduation in a safe and alcohol and drug free environment. Volunteers work together to provide an evening of games, activities, carnival-type rides, food, and live entertainment.

If you own/manage a restaurant, know any restaurant owners or managers, or food and beverage vendors that can donate anything, we would love to know the contact's name. Donations could be a platter of sandwiches, egg rolls, pizza, chicken wings, cases of soda/water....Anything is appreciated. These donations will help us to provide an enjoyable evening for over 500 graduating seniors attending Grad Night.

All donations will be gratefully acknowledged on signage at the 2020 Grad Night party as well as our website and social media. Any donation is appreciated. Please contact us (information below) with any donations or food/beverage/restaurant contacts.

Sincerely,

WHS Grad Night Committee 2020
