# LOVES

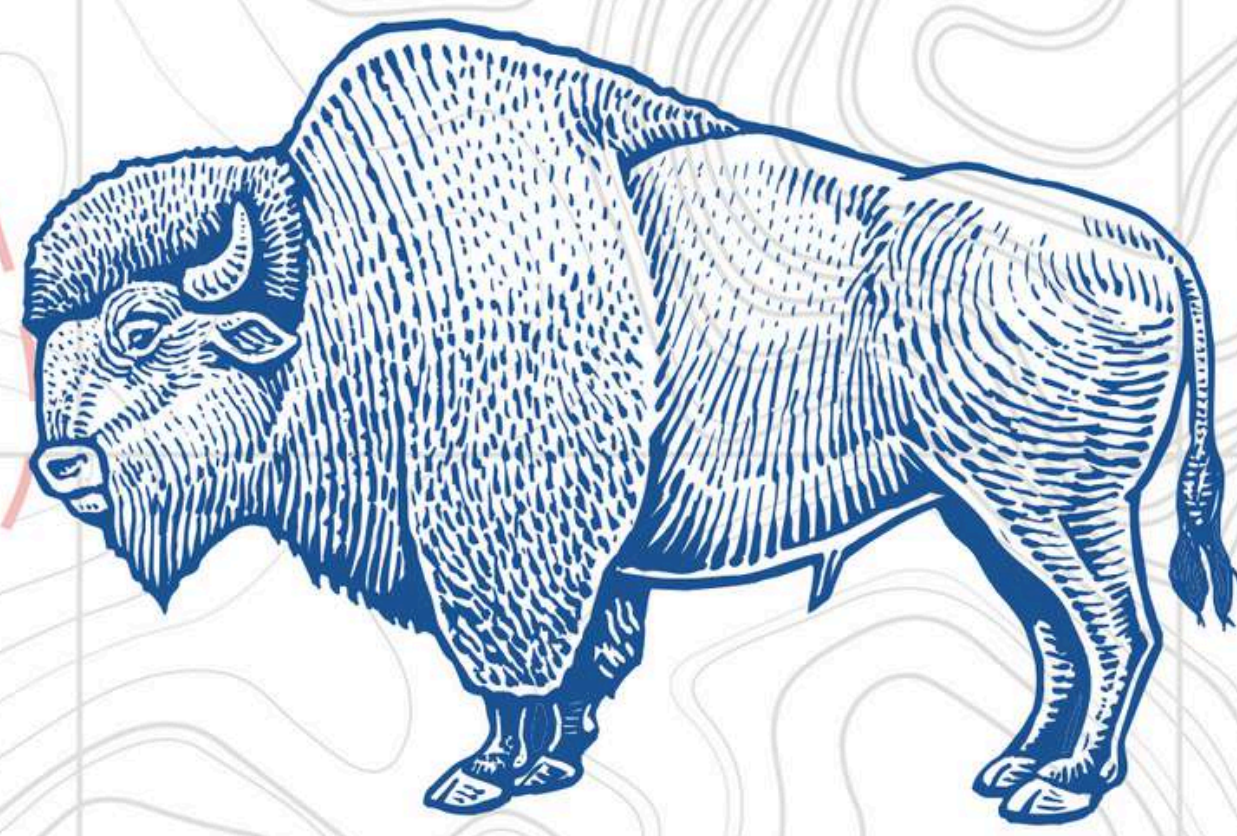

# DIRECTOR'S NOTE

Welcome to Oppa's Senior class production of Anastasia! As a child I was absolutely in love with the animated version of Anastasia. I watched it on repeat and fell in love with the characters! As I began to grow up researching the last Czar of Russia and his family became one of my personal obsessions. I was interested in every aspect of it! Who were the Romanovs and their subjects? How did the revolution come to pass? And finally, did a young woman survive a firing squad where her entire family was lost? The tragedy of the story hits so deeply. And I think that's why so many have clung to the thought that the princess Nasty might still be out there surviving. This musical gives us a chance to explore not only the tragedy of what happened, but the possibility that someone can survive and even come back from such a traumatizing experience. As I've watched your children work so hard at this play I have been infinitely impressed! They are dedicated, talented, and such a quality group of people! I am lucky to have had the opportunity to direct and get to know each one of them. We hope you enjoy the show and celebrate each of the students who have worked so hard to present Anastasia to you tonight.
