A Kid-Friendly Family Focused Service Program

WHAT IS HOLLIS BRICKWORKS?

During the summer of 2018, we introduced BrickWorks to the Hollis community. Partnering with the **THE GIVING BRICK**, a Kansas City based non-profit that collects used LEGO bricks, repackages sets, and gives them children served by CASA of Jackson County. Through out the summer families joined us at Hollis to experience the joy of working together as a community to serve others. During our Brick-Works service hours, we sort through donated LEGO bricks and break apart already assembled LEGO pieces. Because the events were met with such enthusiasm, we are continuing the program and will be introducing more BrickWorks dates throughout the year.

All attendees are welcome to bring sack lunches, and explore the trails & hills of Hollis, play a game of GAGA ball, or sand volleyball before or after the service event.

WHO CAN ATTEND? IS THERE A FEE?

This is a FREE kid-friendly, as well as a kid-at-heart event. All ages are welcome. This includes preschool kiddos!

Parents, please plan on staying with kids ages 10 & under.

WHAT SHOULD WE BRING?

If you would like to stay for a picnic lunch, after the service activity, feel free to bring a sack lunch. We will be providing drinks and light snacks for all volunteers. If you plan on hiking the hills, we do r recommend bringing bug spray.

WHEN IS THIS OFFERED?

We will be offering BrickWorks at varying times though out the year. Follow us on Facebook as we introduce new dates. We would love to see you!

CAN I BRING MY OWN GROUP?

We would love to help you bring your own group to Hollis for a BrickWorks day! We have already coordinated events for Home School & church groups. Give us a call or reach us via email!

WHERE DO WE GO?

This service project will take place in the Picnic Shelter or in the Hollis Lodge at Hollis Renewal Center.
