

FALL OF SYRIA

DEMISE OF DAMASCUS

Assad's Fate and the Isaiah 17 Prophecy in Bible Codes

The purpose of this study is to present 3 interesting Bible Codes from 2011 that predicted the Fall of Syria and Assad due to its Civil War. In this case, it has taken 14 Years (7-7) for the Bible Codes to come True. One will present the 3 Bible Codes pertaining to the on-going Civil War. It seems to be, but another Piece in the Middle East Chessboard that has dramatically moved. One will present the Explanation of them, as they are the Work of the Code Searcher, Matthew Wright. Then one will present one's Geo-Political Assessment, as to why this Event has flared-up now. And as always, one will seek to tie the Fall of Syria and Assad in relation to Israel and Biblical Prophecy.

The Winter of Discontent was the Geo-Political Theme of the Planet in Chaos for 2024. The World seemed to unravel as the Year ended with North Korea declaring Martial Law only to be withdrawn after the Legislative Protest. The French Government of Macron collapsed as both the Right and Left Wing of their Assembly united to oust the Presiding Ruling Party. And then the inevitable Collapse of Syria has come to its Demise, in its 14 Year Civil War. Before one delves into the 3 specific Bible Codes that predicted the Fall of Syria and Assad, the following will be a short Synopsis of what the Bible Codes are all about. One wrote a Book about them also if one wishes to further research the topic.

BIBLE CODEXES

Warnings for the End Days

This Book suggests that 'Prophetic Warnings' or Messages in the form of 'Codes' are found within the Bible Text or Scroll itself. In part, these 'Codes' are what the Angel of YHVH told the Prophet Daniel what would be unveiled now as these Last Days to warn the Bride of Christ, the Church and Israel. This Book is only meant to contribute to the Bible Code Debate by presenting New Matrices for Examination and Commentary. The Format and Presentation of its Content will have more of a Philosophical Approach.

In one's Geo-Political View, what is occurring in the World is a deliberate Timing of the Fall of Assad and Syria is a Destabilization Campaign by the Powers-That-Be to facilitate the Transition from the Church Age to an Israel-Centered World Order. It is just 'Chaos to usher-in their Order', The Prophetic Chess Pieces are being dramatically shifted. The 'Fuse' that lit this Power-Gage was the HAMAS Attack of October 7, 2023. And like 9-11 for the USA that changed the World, so too has this Episode in Israel changed the World, and still will. So, are the Bible Codes then credible? Are these Tables valid, regardless how long it has taken them to come to pass?

Bible Codes

'Then I said, Here I am! I have come! In the Scroll of the Book it is written about Me (Yeshua). I have come to do Your Will.' - Psalm 40:7

The Bible Code is a purported set of 'Secret Messages'/Word and/or Phrases encoded within the Text of the Bible. These 'Hidden Codes' have been described as a Method by which specific Letters from the Scriptures can be selected to reveal Hidden Word Combinations.

The Primary Method by which purportedly Meaningful Messages have been extracted is called the Equidistant Letter Sequence (ELS). To obtain an ELS from a text, a Starting Point is chosen and then a Skip Number. Select Letters from the Text, at Equal Spacing determined by the Skip Number produces the 'Codes.' –from Wikipedia paraphrased

With the aid of Modern Computer Code Software, this decoding of the Bible has been facilitated. There have been numerous 'Code Searcher's over Time. In modern Times, the Notion became popularized by the Book entitled The Bible Code written by Michael Drosnin in the early 90s.

The following Charts are the work of CodeSearcher, Matthew Wright. The Author of these particular Codes believes that they are a 'Modern Day Ephod', And that the Bible Codes are not to be a Predictor of Events but that there is Divine Revelation there. 'The Codes are considered to possibly be another 'Witness' to the authenticity of the Word of YHVH.

The following are a series of annotated Bible Code charts, over 100 in number. They are free to download and in PDF format. The Bible Codes are sectioned-off by Alpha Order. These Bible Codes are presented for one's discernment and consideration. The following Link is a Code Listing in Alpha Order of over 100+ Charts to review online.

Syria The Fall of

Width: 7144 Center: 44679

The Axis Term of this Matrix Table is *Bashar Assad*. There is a tight cluster of terms adjacent to his name in the same Row Skip. One such Term is *He Will Fall*. The other Term is *Imprisoned*. Other Terms are *He will Flee*, *Syria* and *A Massacre*. In another occurrence *A Massacre* and *Bashar's* Name interlocks in the same Line.

A Term that spans the Matrix Table is *Condemned* and on the top there *Is Executed*. Another Term, off the Axis Term that joins the Term *Massacre* is *Sarin*, as in the Chemical Agent used in War. The Term *Syria* intersects this Junction. Also, there is another Cluster that has the term, *Cursed* or *Damned* in the same Row Skip as the Axis Term and appears 4 Times in the Bible Code Matrix.

This is an example of the Bible Codes being in-sync with the World Headlines, especially what is going on in Syria with the Slaughter of Christians by the Muslims. The Matrix Table spans the Books of the Bible from Genesis to Leviticus. In other Syria Bible Code Tables, the same Terms reoccur, but in a completely different location in the Bible.

Syrian President in the Codes

Width: 64 Center: 365093

The Axis Term is *Syrian President*. It appears in the Book of Judges. It is one in a series of other Charts of the same Axis Term that has additional or different ELS Terms. The Cylinder Width is only 64 Letters Wide, so it is extremely focused. There is a Date, but it will not be shown, that correlates in the Book of Isaiah, Chapter 11.

The ELS Terms are as follows: *He Will Flee*, and *To His End* which appear a couple of Times and well as in the Plain Text. In one of the Terms, *His End* crosses with *Jordan* so perhaps that is the Country where Assad will flee to. However, in other Term, Egypt is Noted. *Jordan* appears several Times and runs through the Axis Term at its base. The term *Sarin* as in Chemical Gas appears and runs through the Axis Term.

The word *Goat* appears 3 Times. The term *He will Kill Them* occurs in 1 instance where it appears in the Plain Text and shares a Letter to a Diagonal of the same Term that also runs through the Axis Term. In another term, *A Very Great Slaughter* occurs. This is perhaps also alluding to ISIS and their beheading of Children and as the Sons of Mohammed were crucifying, burning and slaughtering the Christians in particular.

In another clustering of Words, the Terms *Islamic* comes from an offshoot of the Axis Term and touches *Egypt*. The Term *Brotherhood* connects with *Islamic* and extends through the 2 *Goats*. At the top of the Matrix is the term *He Will Fall* that appears twice and in parallel proximity. This Matrix is very telling of what is significant about the Syrian conflict and with ISIS in the Middle East or how a Great Slaughter is still to take place.

Syrian President Will Fall

Width: 64 Center: 365133

The Axis Term is *Syrian President* within the Book of Judges, Chapter 11 for the most part. The term *Bashir* appears as does *He will kill them*, *He Fled* and *Made War Against the Children*. Also identified are the phrases *His End will Be*, *He will Flee* and *He will Fall*. The Country of *Jordan* appears with *Egypt* crossing the Axis Term. The *Goat*, *Islam* and *Brotherhood* connect with the Term *Jihad*. Perhaps the Muslim Brotherhood is involved in some way. The Terms *He will be Jailed* and *He Will Kill Them* also appear. In another place, *Jordan* crosses the Axis Term as does the *Oppressor*. At the bottom is *A Very Great Slaughter*.

As bad as Assad is portrayed by the West, the Muslim Brotherhood and ISIS that have been constructs of the West are the last ones that should be taking over Syria. If such groups get their Hands on Syrian Stockpile of Chemical, Biological or Nuclear Weapons, purported to be in Damascus, it would mean Israel would have to use the Samson Option. There was a morphing of the Jihadists into ISIS with the covert help from the USA, Saudi Arabia and others. The overt Air Strikes on Syria's infrastructure are being led by Israel. Perhaps it is a Matter of Time before Assad falls, as the Iranian Revolutionary Guard is spent in fighting Israel and Russia fighting the Ukraine.

Perhaps a Nuclear Deal with Iran and Obama allowed Iran not to have Assad fall. Russia has also been weakened by Western Sanctions and the Oil Devaluation that has crippled the Ruble. This has been the plan. This is a Predictive Matrix or Bible Code, but it remains to be confirmed. It is a Simple Table that says a lot in a very concise area. No other Book related to the same Axis Term will produce such Relevant Terms.

The following is one's Commentary on the inevitable collapse of Syria and the Assad Rule and why. Consider that the Sunni Rebels had been emboldened by the Israel incursion into Hezbollah Territory in Southern Lebanon. Israel had drastically demoralized the Shi'ites with their Espionage and Drone, Cell Phone and Pager Attacks. The Bombing of Beirut, Tyre, and Iranian Revolutionary Guard Bases within Syria, on a consistent basis have created a Power Vacuum thanks to Israel. For the Rebels, this New Calculus has enabled them to pick-up the Civil War where it was left off in 2011.

Mainly, the Protection that Assad, who is a Muslim Alawite and aligned with the Shi'ites against the Sunni Arab was protected and propped-up by Putin's Russian Army and Iran. Russia had invested Billions in Rubbles in building an Array of Military Bases, etc. Although Syria was essentially partitioned by outside Powers, to include the Kurds, the Turks and the USA, the Russians protected the Center of Damascus for Assad. However, in Damascus, portions of it have already been reduced to Rubble.

One mentions this because as far as Biblical Prophecy is concerned, the Isaiah 17 Destruction of Damascus, that one surmises could very well be Nuclear in Scope has not yet occurred as of this Write-Up. However, the collapse of Syria and Assad will certainly lead to that, most certainly. How so? Consider that the Sunnis will take up where the Hezbollah Strength has waned due to Israel's War with them. Realize that to the Muslim, they need 1st to settle Scores amongst themselves. Once that is sorted-out, then they will regroup to then attack their Common Enemy, Israel.

Here is a possible Scenario. Once the Sunnis take Damasus and Assad is ousted. The Sunni Rebels might very well use the Biological and Chemical Stockpiles against Israel. It has been reported that Assad does have them in Damascus, in the Underground Facilities in or around the International Airport. It has also been rumored that during the 1st U.S.-Iraq War, Saddam moved his Nuclear Program, whatever there was left of it, to Syria for safe-keeping. If the Syrian Rebels plan to launch such a Strike against Israel, Israel, knowing all the Details and Whereabout will launch then their Samson Option, Isaiah 17 Pre-Emptive Strike.

Iran could very well encourage this, Behind the Scenes in that they will have Plausible Deniability for such a Nuclear Weapon detonating in the Middle East. They and others could very well blame the Political Instability on Syria for the Cause and the Outcome. Now, the Russians have been forced to leave Syria 'To the Muslim Wolves' because of its own War in the Ukraine. If the War continues, it is estimated that Russia will have lost more than 700,000 Soldiers. This is staggering. Russia already has a Population Deficiency and Falling Birth Rate of Native and Ethnic Russians in Russia.

It is estimated that by 2030, the Russian Army will be comprised of nearly 70% Muslims. And? This is why one is more convinced that it is the Primary Reason Russia will be the Leader of the Gog-Mag Islamic Confederation of Gog-Magog. One is of the Interpretation that this Scenario and Attack against Israel will occur sometime in the 1st Half of the 7-Year Tribulation Period. This Ezekiel 38-39 Outer-Ring of Muslim Nations will come against Israel when its Towns and Villages will no longer have the Walls that presently exist to provide a Measure of Protection, etc. However, despite the Ukrainian War for Putin not going as planned, there are reports of mass Desertion of Ukrainian Soldiers as well as North Korean ones fighting for Russia.

It is only a matter of Time before Ukraine, like Syria, will collapse. The Billions of U.S. and E.U. Aid has not made a difference, other than to make the Weapons Manufacturers, the Weapons Dealers and the Ukrainian Mafia wealthy. Despite the Ukrainians using the US-UK-French Missiles to hit Russian Target deep inside Putin's Motherland, Putin has responded in-kind. Russians unveiled an Amazing Weapon called the Oreshnik. It is an Intermediate-Range Ballistic Missile that exceeds Mach 10. That is more than 7000 Miles per Hour. There is no Military Shield or Counter-Measure on Earth presently that can stop this Type of Weapon.

So, as to the 3 Bible Codes that predicted the Fall of Syria and Assad? They do suggest that Assad will flee, will be captured, and/or will be killed. This is the issue with Bible Codes, in that it is not prescriptive in Detail. It is rather more of a Supposition that is not chronologically known. Or in other words, all the 3 Attributes of the Codes pertaining to Assad's Outcome are all True or will be True, in Time. As it is, as mentioned, these 3 Bible Chode Tables have taken 14 Year to come to Pass.
