

From the Weaver's Bench

It is such a busy time for me right now. That is why your newsletter is so late! Just a reminder that Spiders' Market will be held on Friday and Saturday, March 17 and 18th from 9 a.m. to 5 p.m. at the Albuquerque Garden Center. The Center is located at 10120 Lomas Blvd. NE.

We will hold our usual March meeting on the 18th of March at the Harvey House Museum. We will be completing the Inkle weave projects. We all need more practice before our April meeting. In April, Annie MacHale will be our guest. She will present and hold a workshop. The cost of the workshop is \$25.00. She is a great teacher and an excellent weaver. You can make checks out directly to her.

April meeting will be on Saturday, April 15 at 12:30 at the Harvey House Museum. The May meeting coincides with the Albuquerque Fiber Arts Fair. Why not plan to meet there are view the exhibits and visit the vendors?

Keeping my hands way too busy in fiber,
Myra
