The rider will pay you a monthly benefit for up to two years during a "total disability" (as defined in the rider). If after returning to gainful, full-time employment for at least six months and you become disabled again from the same or a related cause, you will receive benefits for another two years.

- Guaranteed renewable rider
- Available for issue ages 18-55
- Easy to qualify

Please refer to rider Form 8196 or the policy illustration for details.

Return of Premium Benefit⁶

If you live through the level premium period, you may be eligible for a refund of the premiums you've paid. Adding the *Return of Premium (ROP)* benefit assures that your hard-earned money is returned to you if you outlive your policy. After receiving the Return of Premium benefit, you may continue your policy until age 100. Use the money to enhance your retirement years or for whatever personal needs or desires you have! In addition, electing the ROP benefit allows your policy to build cash value that can be accessed for money in the event of a financial emergency. *Please refer to Forms ICC10 8167-ROP or 8167-ROP, or the illustration for details.*

Disability Waiver of Premium Rider

With the *Disability Waiver of Premium Rider*, Baltimore Life will pay your policy premiums for you if you become “totally disabled” (as defined in your policy) before age 60. We'll continue to pay your premiums until you recover or the policy ends. This rider is available for issue ages 18-55. *Please refer to rider Form 7924 or policy illustration for details.*

Accelerated Death Benefit Rider⁷

The *Accelerated Death Benefit Rider* is automatically added to your Home Secure policy, where approved, at no cost to you!

Baltimore Life will pay an advanced portion of your policy's death benefit if you are diagnosed with a terminal illness or permanently confined to a qualified nursing facility (as defined in the

rider). Please refer to rider Form 8216 or policy illustration for details.
