Nature Coast Unit Virtual Town Hall

Presented by:

Christina Cazanave, MSW

Tiffany McClanathan, MSW, RCSWI

We invite you to our virtual town hall meeting to catch up, collaborate, and get creative as we look for thoughts and ideas to build our chapter. We are looking to fill vacancies on our board, seeking guest speakers and presenters for future events, trainings, and workshops, and we want to hear your ideas. Our unit is only as strong as our members! Do not miss an opportunity to make a difference for our Pasco, Hernando, and Citrus communities!

You will receive a Zoom link prior to this event.
