Chad Asmus attended as a guest. Chad is a representative for Balsa USA. Chad had flow for a couple of days at our field as he was passing though Louisville headed to another meet. He was flying a Balsa USA Newport 17. Very impressive. Chad donated Balsa USA coupons to the club for all of the hospitality. Chad you're always welcome.

The next meeting will start the winter schedule, Tuesday November 1st at Bowman Field Aero Club field at **7:30 PM.**

December's meeting as in the past will be used for election results and a Christmas party pot luck dinner. It will be held on December 6th, the first Tuesday of the month. Arrive early if possible to help set up.

For new members the Club Web Site is as follows: <http://www.lrccky.com> The Newsletter is now open and also posted on our Facebook Page for all to enjoy.

**Treasurers' Report:**

The Treasurer's report was read and was approved. We have money. : )

**Prior Months Meeting Minutes:**

The September minutes were read and approved. (A big thanks goes out to Gary for taking notes at the previous meeting.)

**Old Business:**

The muffler on the 12 year old mower that has rusted out has not been replaced yet. That work was scheduled for this month. Instead the blade clutch which suddenly failed was more pressing. Good thing we purchased a new mower!!!

Last month it was proposed that we add a ONE TIME assessment to the 2017 dues of \$20 per member to help pay off the mower debt. The \$20 mower membership assessment fee for 2017 was approved by the Board following that motion. 2018 dues will be back to normal.

### **New Business:**

The dirt pile purchase a few years ago has been depleted. It was approved to purchase more. Mike Davis volunteered to check his connection for the best price. Thanks Mike!!!

### **What New?**

Jim Rippey brought an Eflite Timber, has spring landing gear, with stabilization, wing slats, flaps and comes with Floats. Jim says is very smooth in the air. Jim donated the \$10 back to the club.
