Off the Sideline Celebrates One Year

Off the Sideline is a non-profit that increases youth participation in sports by providing scholarships to low-income youth in grades 5 through 9. With assistance from local and national groups, Off the Sideline teams up with community partners such as Volunteers of America and Boys and Girls Club to serve kids living in the Portland metro area.

The 1071ST gave financial support to Off the Sideline in its inaugural year, and we want to spread the word about the good work they do.

From Off the Sideline: "Our scholarships enable youth to participate in the sport or program that works best for them, rather than relying on what is free. Visit us at offthesideline.org to find out why team sports are so important to youth, hear directly from our funders and partners about why they support us, read our latest success stories and more. Thank you to the Timbers Army for your support in helping us serve over 80 kids last year!"
