

Hello there,

I'm Faith Pasalic MacFadyen Preschool Academy's newest supply staff and co-op student. I'm halfway through my last semester as a high school student at Aldershot High. I've completed courses in early childhood development, family studies and health and safety which have really taught me the importance of child growth at this age. I plan to attend post secondary school to become an ECE graduate within the next 4 years. It has always been my dream to work with young children. In my spare time I'm always keeping active either at the gym or outside so it's easy for me to keep up with the children. There are unlimited possibilities with these children and being apart of their growth means the world to me.
