

2019 Lancaster Boys Soccer Boosters

Welcome players and their families!

The Lancaster Boys Soccer Boosters welcome you to the program. We are excited to start our second year at Fulton Field as our boys play on turf and experience Friday night games in the stadium. This has been a dream of the program for many years and many thanks go out to Athletic Director Pam Bosser, Superintendent Steve Wigton, and the Lancaster School Board for making this happen. Now for some information about the Booster efforts for the Lancaster Boys soccer Program.

Group Makeup

The LHS Boys Soccer Boosters is composed of all parents of the Boys JV and Varsity teams and the Jr. High teams.

Purpose

The purpose of this group is to provide support to the boys soccer program at Lancaster High School (LHS) by helping to obtain equipment and supplies not otherwise available through the school system and by helping to provide for events within the program. We support all aspects of the Jr High soccer programs. The Boys Soccer Boosters help pay for practice balls, uniforms, camp, and various other items for our players and coaches. We also cover the costs for the required Jr. High Coaches training and certification.

Support

None of this is possible without your help. We will meet throughout the year to discuss our plans to help the program and to keep you as parents updated on what the teams are doing. Please attend our booster meetings which are listed on the Boys Soccer Activity Agenda in the blue folders sent home.

Preview

Our biggest fundraising event is the Soccer Preview! This is an all day event with teams from all over central Ohio coming to play short matches. Each family should work 3 games to help the team. (Volunteers must be 18 years or older) By volunteering your time, you support not only the organization, but the team and the players.

Other Fundraising

To provide this financial support, we will require various fundraising events throughout the year to make sure that we can provide for planned events as follows:

1. Discount Cards

Each player is required to sell five \$10 discount cards to support the program. The \$50.00 is paid to the boosters at uniform distribution and you will then keep the money you sell them for to reimburse yourself. All proceeds from the discount cards goes directly to support our players throughout the year.

2. Soccer Game Concessions

Working concession is a big part of our budget this year. We receive monies for working the concession under the bleachers. So that parents can watch their youth in their games, we ask that JV parents work during Varsity games and Varsity parents work during the JV games. We

ask that each family work **three** games to cover all home games (ie 1 adult 4 games, 2 adults two games)

3. Other Sport Concessions

Working 3 other sport concessions is part of our budget. The larger Lancaster Booster Club draws slots for each participating team, like us, and we make additional good money working these games like basketball, football, and track meet.

4. Food Fundraisers

Our team will host several food fundraisers at Chipotle, Five Guys, and other potential locations. Please go out and feed the family as we get anywhere from 10 - 33% of the money spent by us that night.

5. Krogers/Amazon Rewards

Please add us to your Amazon Smile account #(31-1686338) and Krogers Rewards card (#20338)

Booster Contact Information

Communication is the key in any organization and we will keep you posted on all that is happening and hope you will let us know what you're thinking. Feel free to contact any board member.
