Hurricane & Pets

1. Do NOT leave your pet behind, take it with you if you can.
2. If you go to a shelter or a Hotel and can't take your pet, then find shelter for the pet before the storm hits or call ahead to see if hotels take pets.
3. Be sure your pet has an ID chip, a bring copies of records of shots, medication and special diet if necessary.
4. Small Animal Hospital at 3007 Railroad Street has room for about 100 pets, (dogs and cats) But call and make reservations well in advance

Poison Control: 1800-222-1222
FEMA: (850) 413-9969

Palm Beach Landings Contact People

Bld A:

Tom Harris A207 (505) 235-7213

Bld C:

Bill Schoeni C106 (239) 980-8448

These contacts have emergency keys to all areas that may need to be accessed during a storm.

If you have special needs and will require assistance please let them know BEFORE a storm arrives.

Preparing your unit

- Remove all items from lanai
- Put up shutters or tape windows. If you have to stay in an unprotected area pile furniture in front of lanai doors to stop flying glass

Picture from inside of hurricane

- Have supplies ready in walk-in closet or bathroom. If the storm is a Cat 4 or above take mattress into bathroom and cover yourself with it.
- If you are evacuating close up tight and super cool apartment to 60F to keep apartment cool for days.
- Fill bathtub with water for washing or flushing toilets. If you are leaving, turn off all water to your unit.
- If electric goes out or if you are leaving turn off all circuit breakers to stop damage from power surge when it comes back on
- Place towels or absorbent cloths around the bottom of the of your lanai door to collect water. If wind blows directly at your door it may buckle and allow water to get in. this will save your carpet and the unit below you

Cars

- Be sure your car is full of gas as soon as the hurricane warning is issued.
- If a surge is predicted take your car to the city garage (12ft)

Boats

- **Boat with no trailer:** take to a marina or a safe harbor up river. Do not stay on the boat.
- **Boats on trailers :** remove tarps and all loose items. Be sure drain plug is in the boat. Park next to south wall and tie boat to the trailer.

Motorcycles

- Motorcycles should be moved to vacant parking spaces under the building. Get permission now from the owner of the space to be prepared.

Entry and exit gates will be left open.

Frequently Asked Questions

- **Are there special Rules & Reg's during a hurricane?**

No. rules and Reg's stay the same.

- **Can I Run My Generator?**

No. Personal generators are not permitted by Fire code. They are a fire hazard and the noise is deafening.

- **Can I store my patio furniture or screens in the stairwells or the hallways?**

No, When we are with out power the stairs are our only way in and out of the building. In the unlikely event of a fire we do not want any obstacle in the stairwells or hallways. It is also against the fire code

- **Last Hurricane the garbage had a foul odor. What can I do to alleviate this problem?**

Because the garbage pickup will probably be delayed. Double bag all garbage in plastic bags

- **What can I do to help out?**

1. Check on your neighbors
2. Be prepared to help others.
3. Alert manager or board members of any violations of the rules listed above for the safety and well being of all
