

**State of California  
AIR RESOURCES BOARD**

**EXECUTIVE ORDER H-10-186**

Relating to the Accreditation as a Lead Verifier of Greenhouse Gas Emissions Data Reports  
under Section 95132, Title 17, California Code of Regulations

**Christina Schwerdtfeger**

WHEREAS, the Air Resources Board (ARB), pursuant to Assembly Bill 32 (The California Global Warming Solutions Act of 2006; Stats. 2006, Chapter 488), has established the mandatory reporting program contained in sections 95100-95133, title 17, California Code of Regulations, to require the use of independent verifiers for verification of greenhouse gas emissions data reports;

WHEREAS, the Executive Officer has determined that Christina Schwerdtfeger has met the requirements specified in sections 95130-95133, title 17, California Code of Regulations, for accreditation as a lead verifier; including:

1. Christina Schwerdtfeger has provided documentation establishing that the verifier has met or exceeded the minimum education and work experience requirements in section 95132(b)(3).
2. Christina Schwerdtfeger has completed ARB-approved verifier training and has received a passing score on an exit examination for verifiers based on the reporting requirements in sections 95101-95109, 95111-95112, 95114-95125, 95130-95131, and 95133.

WHEREAS, the Executive Officer has determined that Christina Schwerdtfeger has completed ARB-approved sector-specific cement plant verification training and has passed the cement exam based on the reporting requirements in section 95110;

WHEREAS, the Executive Officer has determined that Christina Schwerdtfeger has completed ARB-approved sector-specific electricity transactions verification training and has passed the electricity transactions exam based on the reporting requirements in section 95111;

WHEREAS, the Executive Officer has determined that Christina Schwerdtfeger has completed ARB-approved sector-specific refinery verification training and has passed the refinery exam based on the reporting requirements in section 95113;

NOW, THEREFORE, IT IS ORDERED, that Christina Schwerdtfeger is accredited to conduct verification services as a lead verifier, and cement, electricity transactions and refineries specialist for three years from the date of execution of this order, provided that the following terms and conditions are met:

1. Christina Schwerdtfeger must comply with all lead verifier, and cement, electricity transactions and refineries specialist requirements as specified in sections 95130-95133, title 17, California Code of Regulations.
2. Christina Schwerdtfeger must fully cooperate with the Executive Officer or his authorized representative during any audit of the lead verifier or emissions data reporter for each verification performed.
3. Christina Schwerdtfeger must provide verification services as specified in sections 95130-95133, title 17, California Code of Regulations.
4. Christina Schwerdtfeger must provide and update accurate and complete conflict of interest information through the appropriate verification body as required by section 95133, title 17, California Code of Regulations.

BE IT FURTHER ORDERED, this accreditation may be modified or revoked by the Executive Officer as provided in section 95132(d), title 17, California Code of Regulations.

Executed at Sacramento, California this 22<sup>nd</sup> day of February, 2010.

James N. Goldstene  
Executive Officer  
California Air Resources Board
