HAPPY, HAPPY NEW YEAR. It doesn't get better than our New Year's Eve party. We brought in 2019 with lots of dancing, singing, and Champagne drinking. The room seemed magical with the beautiful lighting and decorations. We had our wonderful DJ from last year who played great music that we all enjoy so much. The dance floor was never empty the entire niaht. It was so much fun celebrating with our Trail Dusters family. We would sum up the evening by saying, "Oh! What a Night."

Our club also completed cohosting a very successful dance to benefit the fire victims of December's devastating fires. Two hundred forty people attended the dance. and Trail Dusters accounted for seventy of that total Our amazing teacher, Paul, joined us for the afternoon and called a tip singing a song he wrote titled, "Don't Cry for me Pasadena." Paul also taught everyone how to properly do a Rose Queen wave. Along with the Buckles & Bows, Boots & Slippers, and Happy Squares clubs, we raised over \$6,500.00. We are very proud of the fact that so many of our members showed up to support this wonderful cause.

Mark & Joni Simon presenting the \$6,500 check

In other ways, the end of 2018 presented challenges for our club. We had to cancel one of our Wednesday night classes because the fire forced Calabasas to be evacuated. Also cancelled was our Saturday club dance due to the fires. Then there was no class the Wednesday before Christmas. We thought that we would be able to hold class the Wednesday before New Years. However, Bay Laurel informed us that they were closed for the entire winter holiday. Consequently, we also had to cancel class on the Wednesday before New Year's Eve. This left us, and our caller Paul, and all the Rail Dusters behind with our scheduled lesson plans. However, Paul informed me that he will be able to catch us up, and all will be well.

We are very proud of our Rail Dusters. They are a wonderful addition to our club and are doing so well. We initiated a mentor program to help the Rail Dusters transition into the more difficult Plus calls. We are confident that this program will assure that they all complete the year as confident and proficient square dancers. With the help of Paul and the Trail Dusters angels, we know they will all make fabulous Trail Dusters. We have a wonderful club, or we like to say, "A Wonderful Family." We feel so privileged to be part of this family. We have a lot to look forward to in the months ahead. We will enjoy dancing, laughing, making new friends, and having good times together in 2019.

WE DANCED TO SUPPORT FIRE VICTIMS ON JANUARY 13TH

This fundraiser dance was appropriately named because the Goebel Center was "on fire" with over 200 square dancers (70 of which were Trail Dusters) supporting the Salvation Army's fun raiser for our recent fire victims. Buckles and Bows, Boots and Slippers, Happy Squares and our own Trail Dusters participated in this fabulous dance. We are not just individual Club members. We are part of a much bigger community that rises to support each other in times of need.

Mike Seastrom, Paul Waters, Dick Hodnefield, and Rod Shuping exemplified this by donating their time to call for the dance. Their

duets and individual styles kept us

all on our toes. Everyone loved

our Paul Waters version of "Don't Cry for me Pasadena." This was a

class level dance and we loved having our Rail Dusters there to join us. A big thank you to everyone in all the clubs who contributed to the abundant

supply of refreshments we needed for nourishment throughout the afternoon. Lots of "shoppers" were taking advantage of the great buys at the clothing sale.

The dance didn't end at 4pm for our Trail Dusters. Close to 50 of us met afterwards at Brent's Deli in Westlake for dinner. We always have to keep the party going and perpetuate our "Until We Eat Again" slogan.

Our Next Dance Cupid's Ball

February 9th you are invited to attend our Club Dance when we will be celebrating Love....all kinds of love, not just

the romantic kind! Love for our country, for our friends, for our family, for our pets!

Our caller, Johnny Preston from Alabama, is internationally known for his enthusiastic style and great singing voice. Born in California, Johnny began calling in 1976 while attending Wayne State University in Michigan. He is a full-time caller who travels across the United States and is often featured at festivals and resorts throughout the world. Johnny is also the founder of Hoedowns for Humanity, a foundation created to raise funds for local affiliates of Habitat for Humanity as well as awareness of the square dance activity throughout the country. Along with Milo cueing our round dancers, the dance is sure to be fun and entertaining.

Every month I write of the wonderful hospitality that our club members extend to everyone who walks in the door – members and guests alike! The refreshments are always first class, delicious and plentiful. The welcoming warmth and the friendly conversation make the evening one not to be missed.

Circle your calendars and plan to attend. Come out and enjoy not only a great evening but also to show support to our Board members who work hard each month – not only for the Club dances but also for the classes and all social events -flier page 16. Your roving reporters from Canada,

February 10th is our SWEETHEARTS BALL

The Sweetheart Ball gives all clubs the opportunity to recognize outstanding members who have contributed time and effort to the ongoing success and growth of their Club.

We congratulate our sweethearts for 2019, Flo & Bill Tapp. Flo & Bill have been active members since 2003. Since joining the Club demonstrated have they а commitment not only to square dancing but to all Club activities. They have been Ways & Means Chairs for two years, finding new ways to earn more money for our club, hence ensuring our continued stability. As financial Class Coordinators they worked tirelessly to make sure that our new students felt welcome, held brunches to introduce the class to each other, arranged for the makeup of squares during the classes and

organized workshops to ensure their success. They are currently serving their second year as Refreshment Chairs and along with the rest of the team, arrange for goodies at class on Wednesdays.

Flo & Bill have also steadfastly supported all social events; Flo working hard to organize and set up and Bill as a photographer providing professional quality photos to remember these events. Flo & Bill are definitely the sweethearts of the Trail Dusters Club.

Please join us, February 10, 2019, at the dance in Hawthorne, to celebrate and honor our sweetheart couple - see fliers pages 17 & 18. The cost is \$10 for the ribbon in advance and \$12 at the door. See Marilyn Bloom for your ribbons.

Sunshine & Showers

I'm happy to report that rays of sunshine are beginning to break through the clouds! Judy Comroe is delighted to announce the marriage of her son, Professor Dean Whitman, to his long-time sweetheart, Beth Schwartz. The newlyweds "tied the knot" at sea, off the coast of Key West, on the anniversary of their first date, December 22nd. Joining them was their canine ring bearer, Willow. The couple will make their home in Miami Springs, Florida. Warm congratulations to you, Judy, and to your son and new daughter-in-law. May they enjoy a lifetime of happiness together.

Wendy Goldzband tells us that her older daughter (who resides in Vermont) just purchased a home in Burlington and is expecting her first baby, (a girl!) thus making **Wendy** a FIRST TIME GRANDMA! **Wendy**, we who are already grandparents know the joy that awaits you, and we all share in your happiness as you anticipate the future.

I'm so pleased to report that **Myron Ross** is recuperating at home following multiple visits to the hospital for treatment of congestive heart failure. **Myron**, we hope that you are following doctor's orders, taking good care of yourself and feeling stronger every day!

Also happy to finally be at home again after one month is Rhonda Shapiro who continues to recover from major back surgery. Although it's a long and difficult road, Rhonda continues to maintain a positive attitude together with her sense of humor. Of course, frequent visits from friends and from her little granddaughter help to make her recovery a lot more pleasant. Rhonda, we hope that each day will find you feeling better than the day before, and that before your know it, you will be rejoining us once again!

May this New Year find each of you enjoying every day to the fullest and with many happy events to celebrate! Please remember to contact me (at the e-mail address shown below,) with any news of "Sunshine" or "Showers" so that I can pass it on to our Trail Duster & Rail Duster "Family." Again, be assured that I will contact you directly before printing anything and will then do so ONLY with your expressed permission.

This class is made up of an exceptional group of people, and we are so happy to have the angels come to class on Wednesday to be their mentors. They are making terrific progress. With our caller's help of repetition and practice, they will definitely become great dancers.

We hope that you will join us for our fundraiser on Sat., March 30, at the Simi Valley Cultural Center. The play we are going to see is "Newsies," an oldie but goodie. Tickets are sold each Wednesday at class or you can use the form on page 19.

Before we meet two more of our Rail Dusters, we need to make a correction to Barbara's Solomon's bio in last month's Dusty Trails.

Barbara Solomon

Barbara Solomon's husband is alive and is 102 years young.

He is a WW2 war veteran and served in the Pacific.

Debbie Rose

Where in the world is Debbie Rose?

Well, right now she is square dancing with the Trail Dusters in Calabasas. Debbie is a wonderful addition to the Trail Dusters, and we are so glad that she has joined us.

Debbie, was born in South Bend, Indiana. She moved to Los Angeles in 1969 where she attended UCLA and graduated with a political science degree. Debbie has two wonderful children, son Zach, 23, and daughter Becca, 18. Debbie worked as an accountant and manager for a law firm in Los Angeles for 26 years.

The reason we asked where in the world is Debbie is because she has traveled to 46 countries. Forty-Six countries! Most people haven't even been to 46 cities. She once traveled for 14 months across the United States. She has been to Eastern and Western Europe and North Africa. She once took a 42 hour train ride up to Hudson Bay to see the northern lights. And, she traveled 5,500 miles overland from South Africa to Kenya with her children.

Thank you Randee Hilborne for getting Debbie interested in square dancing.

Lela Heslin

You can't miss Lela Heslin because she is the person that always has a big smile on her face.

She has a great laugh, and is always enthusiastic. She is a very good addition to the Trail Dusters. Lela was born in Brooklyn, New York. She has a son named CJ. Lela works for a production team called Etch U Products.

Lela says that she never stays mad at anyone, and she always tries to be a patient person. When asked, "What is the most exciting or special thing you have ever done?" She replies, "Square Dancing".

Many thanks to Bob Zoren and Michael Whitman for introducing Lela to Square Dancing.

Kitchen Korner

Dear Rail Dusters & Trail Dusters,

Well, we've started off the New Year on a very positive note. We had a huge turnout at our fundraiser for the fire victims on Sunday, January 13th. Everyone had a wonderful time dancing to the terrific callers who donated their time to this very worthy cause. The dance was followed by dinner at Brent's, also very well attended.

Snack donations continue to go very smoothly - - thanks again to our "kitchen team" headed by **Denise Kurtzer and Richard Rose**, with lots of support from **Judy Comroe** and **Bob and Sandy Sobel**. Our dancers continue to bring their assigned goodies with so much generosity... we live up to our motto "nobody goes home hungry" club.

Here goes some interesting *Healthy Food Facts:*

As we've settled into 2019, the eating and the dancing continues...thankfully. For those of us who are trying to be more careful with our food choices after the holidays, there will be salads on the menu at each of the restaurants where we'll be dining. The thought of "dining" rather than just "eating" sounds so much better.

The number of attendees at the dinners is increasing and so is the dollar amount donated to Trail Dusters by these restaurants. The donation from The Stand was the largest so far and we hope that our proceeds from each Wednesday will continue to increase. Everyone really liked Mod Pizza where we ate in December. The pizza is a thin crust and is delicious and the salads came in all sizes with all the toppings you can get on the pizza.

As an added thought, if you know you'll be going out to dinner with a group either before or after a dance or other special event, please let me know so I can see if the restaurant you choose will donate back to our group. Many other restaurants do but we use those where we order and pay separately.

Please mark your calendars for 5:30 each Wednesday to join us for dinner. Here's the February schedule of restaurants:

A NIGHT ON THE NILE A GLITTERING NEW YEAR'S EVE CELEBRATION

For a while now it has

been customary that my last act for our New Year's Eve gala is to write this finishing article for the Dusty Trails. I sit here almost struggling to find the right words, the best words, to describe a night that was clearly magical.

I just received a note from the friends I brought who had never seen a Trail Dusters event. They were awed, amazed, and offered that this was their best New Year's Eve party ever. Seeing the event through their eyes, I couldn't agree more.

The Hilton room was transformed to an impressive Night on the Nile. The lights everywhere, the fresh flowers, the Egyptian panels, glittering Sphynx, scroll seating cards, great music, fine dinner, traditional entertainment including two wonderful songs sung by our own Diane Jubelier-Light, a visit from a real Pharaoh and his Queen-besides our own club's Pharaoh and Queen, and a roomful of handsome men. It was all a delight to the eyes. But one could not miss noticing, and I would be remiss in not mentioning, how extraordinarily vogue and beautiful all the women were. Each more stunning than the next.

Through the years I often hear how we at Trail Dusters are not simply a successful square dance club. We are also a family. That was never more evident than when one of us fell that night. Lana's Mel is better now due in no small part to the spirit, unity, and energy in the room directed toward his well being. It was us at our best.

New Years Eve was a success because of the sincere hard work of many hands. It all begins with Caren's incredible vision and creativity, Marilyn's penchant and talent to organize, encourage and support our team, Jeri's unmatched and ever tactful negotiating prowess, and Maureen's efforts that added to the decor of the evening, and an exceptional supporting committee that grows every year. Our New Year's Eve Gala is no small feat. but neither is the laughter, fun and excitement, and sheer pleasure it creates. Clearly, a magical evening.

Dear Trail Duster Square Dance Club:

Thank you so much for your continued support of the Los Angeles Ronald McDonald House. Your generosity helps support our families and they navigate through a tough time, and your commitment ensures that we can continue to providing a "home away from home" for seriously ill children and their families.

Because of your support we can continue our mission by providing a place where families can stay in a safe, warm and comfortable environment, keeping families close to their children during their medical treatment at a critical time in their lives.

Since opening in 1980 we have served more than 30,000 children and their families. The need for our services is greater than ever. Your sponsorship played a substantial role in helping us raise funds to provide families with essential services they might not otherwise be able to afford.

On behalf of the board of trustees, staff, volunteers and most of all the children and families we serve, thank you.

Your support is greatly appreciated.
