## Saint Paul Catholic Center Welcomes Father Tristan Dillon

Fr Dillon was ordained a priest by Bishop Oscar A. Solis at the Cathedral of the Madeleine Friday, June 24, 2022.

Fr Dillon stated, "Nine years of formation have been leading up to this, but it's not frightening or intimidating; it's just exciting and natural. My entire being has been leading up to this; my entire existence has been leading up to this moment, and I'm excited to begin my priesthood in my hometown (St George)."

Fr Dillon hopes to help in the young adult and youth ministry and hopefully "be a positive force to young Catholics who are struggling in this world of rampant secularism, to say that 'know that the things of the world promise a lot, but they give nothing' and to bear witness to the joy of the priesthood and the Catholic faith."

We are continuing to collect food donations for the Hurricane Food Bank and for the Springdale Elementary School.

POPE FRANCIS,

**“FAITH IS NEVER A WALK IN THE PARK”**

The journey of faith is never easy for anyone, not even for the Apostles Peter and Paul, Pope Francis said in his Angelus address on Wednesday, June 29, 2022.

“The journey of faith is not a walk in the park, but is instead demanding, sometimes arduous.”

The pope prayed a mid-week Angelus to mark the Solemnity of Saints Peter and Paul, the patron saints of the city of Rome.

In his message before the Marian prayer, he reflected on a passage from the Gospel of St. Matthew, when Peter says to Jesus: “You are the Christ, the Son of the living God.”

“It is a profession of faith, which Peter pronounces not on the basis of his human understanding, but because God the Father inspired it in him.”

When Jesus then reveals to his disciples that he will suffer, die, and on the third day be raised, Peter rebukes him, saying, “God forbid, Lord! No such thing shall ever happen to you.”

Pope Francis recalled that Jesus’ response to Peter was: “Get behind me, Satan! You are a scandal to me, because you do not think according to God, but according to men!”

“Does not the same thing happen to us?” the pope said. “We repeat the Creed, we say it with faith, but when faced with the harsh trials of life, everything seems to falter.”

“We are inclined to protest to the Lord,” Francis added, “telling him that it is not right, that there must be other, more direct, less strenuous ways.”

The pope concluded his message with two questions for reflection. “In the light of this experience of the holy apostles Peter and Paul, each of us can ask ourselves: When I profess my faith in Jesus Christ, the Son of God, do I do so with the awareness that I must always be learning, or do I assume that I already have it all figured out?”

★ I'd rather be a could-be if I cannot be an are; because a could-be is a maybe who is reaching for a star. I'd rather be a has-been than a might-have-been, by far; for a might have-been has never been, but a has was once an are. ☺

★ Remember guys, a good wife always forgives her husband when she's wrong. ☺
