## CLERGY COLUMN

In the midst of the tragic news about Hurricane Ida and terrorism in Afghanistan, there was a glimmer of hope out of Texas this week. The Supreme Court of the United States upheld a new Texas Law that prohibits abortions as soon as the baby's heart can be heard, which is generally around six weeks after conception. More or less, this law would bring and end to most abortions in the State of Texas. While this is not the complete and absolute elimination of all abortions that we want, it is a significant step toward the goal, and that is how the Culture of Life will prevail, by reclaiming ground inch by inch, small victory by small victory. With the annual 40 Days for Life prayer vigil beginning this month on September 22<sup>nd</sup> we should all be considering how we can support the Pro-Life movement.

We should not forget about the victims either; both the babies and their mothers are truly victims of our Culture of Death, as Pope St. John Paul II called it. There are special retreats designed to assist women who have suffered through an abortion; they are called Rachel's Vineyard retreats. The next one is scheduled for November 5-7. If you know any woman who could benefit from this opportunity for healing, please reach out to me for more information, or go to their website: <u>www.rvineyardmn.org</u>

## Weekly Reflections

"Whoever wishes to come after me must deny himself, take up his cross, and follow me." MARK 8:34

Living a stewardship lifestyle means not only being responsible for my own life, but for the lives of others as well. We realize that our gifts are not intended for ourselves, rather they are meant to be shared with others. "Taking up my cross" means doing things when someone else needs me and not when it's convenient for me.

# We are the Hands of Christ

Are you good at making people feel welcome? When you meet someone new, a new neighbor, a new work colleague, a new parishioner, do you make them feel at home?

Many of us probably do a much better job at this. When we make people feel welcome, we make them feel like they are included instead of being excluded.

A simple "hello" goes a long way.
