

Happy Faces

Our children enjoy a moment of devotion each day with a book, entitled Devotions for Preschoolers. Crystal Bowman helps parents to encounter their kids with many inspirational words.

Here is one I liked:

“As we love to put happy face on snowman, are you wearing a happy smile today? A smile on the outside means that you are happy on the inside. God gives us many reasons to be happy. He loves us. He cares for us. And he is our friend. God can help us be happy inside and out.”

I believe it is a time for us to express our inside out with happy faces.

A happy heart makes a face look cheerful. (Proverbs 15:13, NIrV)

Prayer for the day: Help me, God, to be happy today as I work and as I pray. Amen.
