NEW RULE BOOK

Each owner has received the updated Rule Book. Please make sure that your guest and tenants read and understand that the rules are designed to enhance our community and for the continued enjoyment our facilities.

LANDSCAPE

All but one courtyard has been completed. The center medium located from South Palm Canyon is a great improvement. As mentioned in the last Newsletter the Wi-Fi system is completed and was put to the test. There was a leak in our irrigation system and the water was turned off remotely. During the summer, the board will be investigating the cost of security camera's that can be controlled through the Wi-Fi system. *There is a pad by the Gardener's cage for notes to be left on any landscape issues

COURTS

The pickleball courts continue to be enjoyed and there is a suggestion that we add more pickle board courts. **NOTE: NO DOGS ALLOWED IN THE TENNIS OR PICKLE BALL AREAS**

CLUBHOUSE

The game night event in the Club House was a great success and, hopefully will be continued next season. There has been many donations of sports art and antiquities that have greatly enhanced the look of club house. Thank you to those who donated. **Club House Rules:** The rules for the use of the Clubhouse are: No charge for small groups up to 25 people. However, a request to use said facility must be sent to the management company.

LIBRARY

The library is up and running with many donated books. There have been the following donations; a bookshelf; a love seat; and a chair and ottoman. If you haven't ventured into this room you will be surprised. In addition to the books, there are games that can be borrowed. ***Please return all books and games when you are finished.**

There are still no suggestion for the use of the room to the west of the Clubhouse. The Board will welcome suggestion for utilizing this room.

POOL & JACUZZIS

There have been a few complaints about the new furniture in the South Pool. Mainly that the arms of the chairs get hot. If anyone has a suggestion of a possible heat resistant paint that could be applied, please advise. As stated in our last newsletter, before replacing more pool side furniture, the board needs to see how the new furniture holds up to wear and tear, and the summer heat. Also find a solution to the issue of the arm of the chairs getting to hot. *Please note most of the other loungers around the pool do not have arms.

NOTE: NO DOGS ARE ALLOWED IN POOL AREAS.

ROOFS

The regular roof maintenance has been completed except for the club house, which is being done now. The roofs are scheduled for cleaning 3 times a year. Please remember, for either maintenance or replacement of air conditioning or water heater, permission from Desert Management is required along with a copy of your contractor's liability insurance and workers compensation.

WATER DAMAGE

Just a reminder; Our CC&R's section 6.7 State that; unless gross negligence can be found by the board, water damage is the owners responsibility.

EXTERIOR UNIT MAINTENANCE

To keep the uniformity of the exterior of our complex, there is a design for replacement doors and specific paint color. Certain exterior lights and numbers have also been approved by the board. Before changing or making additions; i.e. installing a washer and dryer, please fill out an architectural variance and submit it to management for board approval. *See "Exhibit A-Allocation of Maintenance Responsibilities" of the CC&R's.

RENTALS

In accordance with Article 5.4 et sec of the CC&R's, a copy of the renter's lease must be provided to the board. (A request for renter information form is obtainable from our web site). Please remember that your unit must be rented for a minimum of 30 days to be in compliance with the CCR's. If no compliance, there will be fines for short term renters.
