We want to thank these pools for their generosity. Please visit their websites to learn about the clubs and their rules. Each of these pools have the names of our members to cross check for entry. Make sure to mention you are from the Springfield Swim Club at the front desk along with your name and card number. For younger swimmers water safety test will need to be repeated at these clubs.

On behalf of the Board of Directors we want to thank you for your patience during this unfortunate circumstance. We are doing everything we can to get the pool open as quickly as possible. We welcome volunteers from our membership to come down and help us prepare the pool for reopening.

Sincerely,

***The Springfield Swim Club Board of Directors.***
