

# **PRESENTING**

As we come to the end of this school year, I would like to take a few moments to say thank you to all the Brite Star Parents. Your care, commitment, and support in what has been the most challenging year for so many families, just proves the importance of showing your children never to give up.

The Pandemic brought school closures, quarantines, and virtual learning to not only schools but studios, gyms, etc. Yet, you all showed up with masks, hand sanitizers and social distancing to keep your children safe while staying motivated. I cannot thank you all enough for allowing me to keep doing what I love, even during the pandemic.

So, from the bottom of my heart,  
**THANK YOU!**

Have a Great Summer!

**May 22, 2021**

East River High School  
650 East Falcons Way  
Orlando, Florida 32833

Show start time 4:15pm/Doors open 4:00pm

## Coach's Note

*To our Seniors*, I am so proud to have had the pleasure of watching you all grow into such beautiful young ladies. Today I look back on our memories and I see how far each of you have come. I have faith in the great places you will reach. It is always bittersweet for me to watch those young girls that began twirling with me years ago and are now starting their college years. I wish you all the best in your future endeavors. Congratulations Sydney, Janessa, and Ashley!! Please come back and visit. You will always be a part of the Brite Star Family!!!

*Keep Twirling!!*

*To my Brite Star Twirlers*, Thank you for another fantastic year! Even during this difficult past year, you all continue to impress me with everything you learn in the short amount of time that we had together. Your energy and willingness to try new things are the reasons that I love what I do, and the reason we are able to push the boundaries of baton twirling. I see the hard work you have put into your practices and I am very proud of all that you have accomplished! The Brite Star Coaches and I look forward to a great upcoming year and hope to see you all at summer camp. Have a great summer and we will see you in August!

*Much love!*

*Coach Candy & the Brite Star Coaching Staff*

Timber Lakes Elementary  
Waterford Elementary  
Wedgfield Elementary

Sydney is a rising sophomore at UCF and is majoring in Biology with a minor in Health Sciences. With hopes to attend medical school upon completing her undergrad, Sydney is very involved on campus in undergraduate research, volunteering, the Red Cross Club, the National Bone Marrow Registry, and the American Medical Student Association. She loves to coach for Brite Star and has continued her twirling career in college through being on the UCF Majorette team.

Janessa has been twirling for over 5 years and has been twirling with Brite Star for the past 3 years. She is currently attending school at Valencia College working to obtain her A.A. degree and she plans to transfer to a Florida university to study biology and environmental studies. She has developed a love for coaching young twirlers and helping them develop their skills and she hopes that she can inspire young twirlers to achieve a level of twirling they never thought possible.

Ashley has been twirling for 5 years. She graduated from Hagerty High School last year. Ashley is currently enrolled at Seminole State College where she will be getting her AA degree. Afterwards, she plans to transfer to USF to study Marine Science.

## ACT 1

Senior Tribute Opening- Sydney, Janessa and Ashley  
Choreographed by Coach Candy & Coach Brianna

Celebrating Women Opening- Galaxy, Supernova, & Titan
