

European Commission publishes report on the feasibility of the new (2015) VAT-rules

(June 26, 2014)

As per January 1, 2015 the VAT-rules regarding the supply of telecoms/broadcasting/electronic services to consumers will change. As of that date the aforementioned services will be charged in the member state of consumption. Today the European Commission published a report on the feasibility of these new VAT-rules (COM(2014) 380 final).
