light (blue)

(2) 5 3/4" squares

**Group 3**

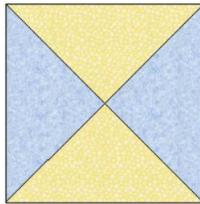

medium (red)

(1) 4 1/2" square

**Group 1**

**Group 2**

**Group 3**

background (yellow)

light (blue)

medium (green)

dark (red)

**Directions:**

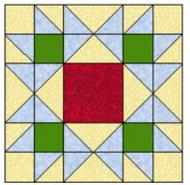

**Group 1**

Half square triangles (HST) and squares

Gather the 3" background squares and 3" light squares (wasn't it easy to gather with the labeled squares)?

Pair up the background with a light square (remember, right sides together) and draw 1 diagonal line on the (4) light squares. Sew a scant 1/4" away on both sides of the drawn line.

Cut on the drawn line and press towards the light side. Trim all to 2 1/2" square. You will have (8).

You will make (4) group 1 sections. Layout the HST and the rest of the squares from group 1 (4) 2 1/2" background and (4) 2 1/2" square of the light to match picture of group 1. Make (4) of them.

**Group 2**

Hour Glass

Gather the (2) background square (6") and the (2) light squares (6"). Pair up the background with a light square (remember, right sides together) and draw 1 diagonal line on the (4) light squares. Sew a scant 1/4" away on both sides of the drawn line. Cut on the drawn line and press towards the light side.

Pair the half squares triangles. This time match the background half with the light side half. Wiggle the seams so they snuggle together. Draw one diagonal line perpendicular to the seam and again stitch a scant 1/4" away from drawn line. Cut on the drawn line and press. Trim to 4 1/2".

**Group 3**

It is the medium (red) 4 1/2" square.

**Putting it all together**

Layout the groups as shown as sew together. It should measure 12 1/2" x 12 1/2"
