## Medicaid Financial and Insurance Policy

Pediatric Possibilities, P.A. is committed to providing you with the best possible care and we are pleased to discuss our professional fees and policies with you at any time. Your clear understanding of our Medicaid Financial and Insurance Policy is important for our professional relationship between provider and client. Please contact the office if you have questions about fees, insurance, or your financial responsibility. **Initial** to consent to the following:

- \_\_\_\_\_ **PAYMENT IS DUE IN FULL AT THE TIME OF SERVICE.** Medicaid policies often cover the full cost of Occupational Therapy services; however, some fees may apply based on your Medicaid plan. The adult accompanying a minor at the time of service is responsible for full payment. For unaccompanied minors, the parents or guardians are responsible for full payment. We accept cash, check, health savings accounts, flexible spending accounts, and all major credit cards.
- \_\_\_\_\_ Pediatric Possibilities, P.A. reserves the right to change/cancel your regular scheduled appointments due to inconsistent attendance, as inconsistent attendance is considered a "Barrier to Progress" per Medicaid Policy. Three (3) or more consecutive missed appointments may result in either forfeiture of your recurring scheduled appointment time or termination of service. (refer to Attendance Policy for more information)
- \_\_\_\_\_ Pediatric Possibilities, P.A. is an in-network provider for North Carolina Medicaid and South Carolina Medicaid. It is the client's responsibility to notify Pediatric Possibilities, P.A. of any changes to your insurance coverage, including loss of insurance, lapse in insurance coverage, and change in Medicaid plan. Pediatric Possibilities, P.A. requires a copy of your Medicaid card along with any other health insurance information prior to rendering services. You will be responsible for payment of denied services if you fail to notify Pediatric Possibilities, P.A. with changes in your Medicaid policy prior to a rendered service(s).
- \_\_\_\_\_ Medicaid is a payor of last resort. If the client has any other insurance in addition to their Medicaid insurance (including commercial, state, or federal insurance), it is the client's responsibility to notify Pediatric Possibilities, P.A. You will be responsible for payment of denied services if you fail to disclose other insurance coverage to Pediatric Possibilities, P.A. prior to a rendered service(s).
- \_\_\_\_\_ Clients can be charged for other services performed and/or provided by Pediatric Possibilities, PA. These services will be billed as Consultation Services at a rate of \$140 per hour or at a minimum of 15-minute increments. These services include but are not limited to, preparation of written reports, phone calls, emails, collaboration with other professionals, etc. These charges will be billed directly to the client and will not be billed to insurance as these services are not covered by insurance.
- \_\_\_\_\_ I authorize Pediatric Possibilities, P.A. to release medical information required to process my insurance claims.
