

Hi!

I'm Miss Chrissy and I'm very excited to join the team at MacFadyen Preschool Academy as a Supply Staff. I can't wait to get to know all of you, but first I would like to tell you a few things about myself...

I graduated from Sheridan College in 2001, and have worked as a nanny and in childcare centres since I was 19 years old. I've enjoyed working with all ages... watching children achieve major milestones, helping them discover new skills & knowledge, and seeing the joy and pride in themselves when achieve a new goal! I've also had experience working as a centre supervisor and assistant supervisor, and enjoyed that aspect of childcare as well.

When I'm not working, I like to keep things low-key! I enjoy going to dinner and movies with my friends, visiting with my nephews, watching NASCAR, and collecting fairy & dragonfly statues.

“I believe that children achieve their best through the support and encouragement of those around them.”
