OUR MISSION

To treat others the way we want to be treated - Luke 6:31

Locally owned and operated by Dan and Ronda Corley

2017 WELCOME TO THE Parade of Homes

Mike Blissett

2017 Parade of Homes Chairman

Welcome to the 2017 Parade of Homes presented by the Home Builders Association of Dothan & the Wiregrass Area. The Parade is the paramount event where home builders, remodelers, suppliers and trade contractors proudly showcase their latest design ideas and workmanship. Thank you for being a part of this exciting weekend!

You are cordially invited to attend the ribbon-cutting ceremony on Friday, May 19 at 11:00 a.m. at the showcase home located at 3628 Oak Ridge Lane in the Oak Ridge Subdivision off of John D. Odom Road. Don't miss this spectacular home built by Everett Construction. Rudd Furniture, with lead designer, Suzanne Dunning, has done an exceptional job of decorating this beautiful home with elegant furniture and stylish accessories. This home, along with over 25 others from 9 additional builders, will be open for your viewing during the 2017 Parade of Homes as follows:

**Friday, May 19 11:00 a.m. - 6:00 p.m. • Saturday, May 20 10:00 a.m. - 6:00 p.m.
Sunday, May 21 1:00 p.m. - 6:00 p.m.**

On behalf of the Home Builders Association, I would like to thank our major sponsors!! We are so grateful for your support of our industry, community and our association!

2017 Decorator Showcase Home

Welcome to Oak Ridge Lane! Your 2017 Parade of Homes tour begins here...

Nestled in this highly desirable NW Dothan neighborhood, you'll find the attractive community of Oak Ridge, home to 3628 Oak Ridge Lane, our 2017 Homebuilder Parade Showcase Home. Everett Construction Company and Rudd Furniture are pleased to present fine, quality craftsmanship accentuated with beautiful furnishings and elegant decor.

From the circular drive to the home's entry and beyond, you'll certainly appreciate the attention to detail found in this all brick beauty. Our specialty trim and crown moulding, built in bookcases with fireplace and handsome granite surround, 10' ceilings and wide, open spaces make this home stand out from the crowd.

Rudd Furniture, with lead designer, Suzanne Dunning Key, have done an exceptional job in decorating this home to illustrate the most current and desirable furnishings, along with an efficient use of furniture placement and accessories.

From the moment you first enter the home, a stunning view of the handsome kitchen island, with its elegant granite countertop and coordinating ceramic tile kitchen backsplash are sure to please. Built-in bookcases with an electric fireplace and granite surround combined with warm paint colors, provide an appreciative, calming feel. Beautiful wood flooring, traditional oil rubbed bronze lighting and plumbing fixtures, stainless steel Whirlpool appliances and decorative vent hood make 3628 Oak Ridge Lane a home to be showcased.

A wonderfully expansive living space, comprised of the grand room, kitchen, breakfast area with its openness, is conducive to family gatherings. Pocket French doors lead to the sun room which easily converts to a formal dining room. A view from the sun room flex space reveals the EZE Breeze back porch which can be used as either a screened room or sun porch and is ideal for our mild winter climate.

A continuation of upgrades are found throughout the home. Bathrooms are complete with granite counters, ceramic tile showers, shower doors and are accentuated with oil rubbed bronze lighting and plumbing. Spacious bedrooms and multiple walk in closets provide room to spread out.

Upstairs, you'll find two bedroom suites, each with its own bath. Our signature walk in attic, which is ideal for storage, can be finished for future living space. Custom blinds, Smart-Home Home Automation and wood privacy fencing make this new home an incredible value.

LOCATION, LOCATION, LOCATION

Combined with the fabulous features of this new home is an outstanding location. Situated at the intersection of John D. Odom and Murphy Mill Road, Oak Ridge Subdivision is conveniently located near shopping, entertainment and restaurants at Dothan Pavilion. Flowers Hospital, doctors offices, Westgate park and many other retail and restaurants are just a few minutes away. Great school zones include Kelly Springs Elementary and Northview High.

Thank you for touring the 2017 Dothan and the Wiregrass Area HBA Parade Showcase Home. We hope that you have enjoyed the tour and have admired our home, beautifully and graciously decorated by Rudd Furniture, with design selections by interior designer, Suzanne Dunning Key.

LOCATION 17 ON MAP **EVERETT CONSTRUCTION COMPANY INC.** **\$159,900**
1751 Denton Road • Woodsvale Subdivision **4BR/2BA w/floored attic**
(334) 526-0622 • www.everettquality.com **1681 SF**

Our newly constructed 'Camden' plan offers four bedrooms and two baths in a split bedroom layout. A two car, side entry, garage opens to nearby spacious laundry room with built in cabinets. An additional 400 SF of space upstairs can be used for storage or finished later for more room to spread

out. Covered porch. security system, wood privacy fence, on large lot. Located 1 block inside Ross Clark Circle, on Dothan's NW side, the home is zoned for Northview High.

As with all Everett homes, an extensive builder walkthrough, 1 year warranty and 10 year structural warranty are also included.

DELONEY CONSTRUCTION, INC.

Bill and Don DeLoney of DeLoney Construction, Inc. have been building homes with distinctive and innovative designs for 40 plus years. They are licensed builders who will give you a quality built home. With their continued involvement with the local, state, and national Homebuilders Associations, they stay apprised of the ever-changing world of construction, including building codes and national standards.

DeLoney Construction puts a lot of thought into "Lifestyle" and provides attention to details. Innovative planning and designing with today's customer in mind is their top priority. Whether you're buying one of their speculative homes, or prefer them to build a custom home on your lot, they will offer personal experience and attention to the planning and construction of your new home.

The DeLoneys pride themselves on quality craftsmanship. Their concern for the homebuyer is obvious with the choices they provide for their customers. With your personal house plans in hand, they can give you the cost to build your home. A hands-on approach on the job is a symbol of their dedication to you and their desire to produce the very best.

A DeLoney built home continues to be one of the most sought after on the market in the Wiregrass area today.

ALFRED SALIBA CORPORATION

Over 60 years ago, Alfred Saliba Corporation (ASC) started as a family home building business. Today, our family has grown into a corporation, but we still hold fast to the basic principles Alfred Saliba held so dearly. We believe in service to the community, great service to our customers and excellence in everything we do. Because of these principles, our corporation has an outstanding reputation throughout the Wiregrass.

Every year, ASC builds homes for clients ranging from first-time to custom home buyers. We provide a simple home building experience, from conceptual design to drafting, estimating, decorating, production and landscaping assistance. ASC proudly sets and maintains the professional standard for residential construction in the Wiregrass by utilizing well-established vendor/subcontractor relationships. Annually, our company builds approximately 35% of new homes in Dothan. Along with new construction, ASC also provides residential and commercial remodeling services. Our corporation is also a licensed General Contractor with experience in church, office, medical, restaurant and retail construction. We continue to grow this area of our business with technical expertise, experience and by bringing our commercial projects in on time and within budget.

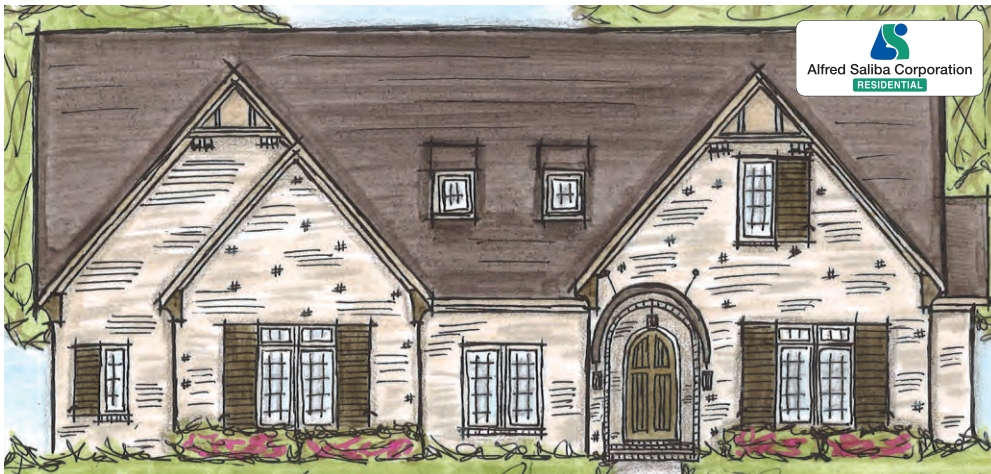

Today, we are a successful corporation because we have a proven record of well-built homes, and we continue to set the standard for providing service and warranty. ASC has a team of employees working to make the home buying and building experience one of the best.

SOUTHERN HOME BUILDERS, LLC

Scott Childers and Brandy White are the owners of Southern Home Builders, LLC. They have been building homes in the Wiregrass area since 2000. Along with their team of superintendents and subcontractors, they take great pride in producing energy efficient homes and retaining the highest level of customer satisfaction.

When you choose Southern Home Builders, LLC, Scott and Brandy will be with you every step of the way. They will make you feel comfortable, and they will always be available when you need them. This eases the stress of building and allows you to concentrate on the creative choices that will help them build the home of your dreams.

Southern Home Builders has earned a reputation for building quality custom homes in the Wiregrass at a reasonable price. A long list of references proves that they are honorable and very easy to work with.

Scott and Brandy look forward to meeting with you soon. Give them a chance. You'll be glad you did.

See us during the Parade of Homes or visit our website at SHB1.com.

LOCATION 5 ON MAP	SOUTHERN HOME BUILDERS, LLC 301 Prestwick Drive • Highlands South (334) 699-1010 • www.SHB1.com	\$399,000 5BR/3.5BA w/ bonus room 3500 SF
--	--	--

Craftsman details, like stacked stone, heavy timbers and three over one windows, give this 3,500-square foot home great curb appeal. Its corner lot across the street from the neighborhood park puts it in a prime location. A big front porch overlooks the park, creating an ideal spot to watch children as they play or chat with passersby. The interior boasts a charming open floor plan. The family room, dining room and kitchen all maintain open sight lines and include high-end details like beautiful lighting, high ceilings, thick crown moldings and hardwood floors. The builders added character by tucking in thoughtful touches such as the built-in window seat, a back-porch fireplace and hidden rooms that can

be accessed by sliding bookcases. The kitchen, with its dove gray cabinetry, big farmhouse sink, stainless appliances and central island is a gorgeous work space for the family chef. The granite on the island contrasts with the granite on the counters, picking up the black, gray and white tiles in the backsplash. The downstairs master suite includes a luxurious master bath with beautiful tilework, a walk-in shower, whirlpool tub, double sinks and a private water closet. A huge master closet adds to the abundant amount of storage included in this home. There is a flex room downstairs that could be used as a bedroom, office, den or whatever the homeowner desires. Three more bedrooms, a full bath with double sinks and a big bonus room with a closet is upstairs. There are plenty of extras like the double garage that opens onto the back alley, a mudroom, laundry, walk-in pantry, additional one and a half baths and more. All this, plus it is an Energy Star™ home. This is a beautiful new construction in a great location. Stop by and take a look.

HEWES CONSTRUCTION, LLC

Hewes Construction, LLC, owned by Joel Hewes and Alex Smith, was formed in Dothan in 2004. Allen Loyed joined the company in 2011 to oversee residential construction giving the company over 40 years of combined construction experience. Being licensed in both residential and commercial construction, Hewes can and does handle a wide range of projects including new construction, remodeling and custom homes. They currently have homes available in Highlands South and Cottage Park.

The company is a long time member of the Dothan Homebuilders Association where both Joel and Allen have served in many capacities on both the state and local boards.

Please see this years Parade of Homes entries at 405 Gladstone Way in Highlands South and 238 Chloe Court in Cottage Park.

LOCATION 5 ON MAP	HEWES CONSTRUCTION, LLC 405 Gladstone Way • Highlands South (334) 791-0716 • (334) 718-9450	\$439,000 4BR/3BA 3248 SF
--------------------------------	--	--

This new home, located in Highlands South, is one of the last chances to purchase new construction in this popular neighborhood. Located on a large corner lot, this 3,248 square foot home has 4 bedrooms and 3 baths. With the master and another bedroom located on the ground floor and two bedrooms

and an upstairs den located on the second floor this home is perfect for a growing family. The downstairs is very open with a large kitchen and grandroom with fireplace. Other upgrades include a huge hidden pantry, separate dining room, hardwood and granite throughout and a large covered rear porch. This home is priced at \$439,000.

LOCATION 4 ON MAP	HEWES CONSTRUCTION, LLC 238 Chloe Court • Cottage Park Subdivision (334) 791-0716 • (334) 718-9450	\$234,000 4BR/2½BA 2044 SF
--	---	---

This 2044 square foot home is located in the popular and convenient Cottage Park Subdivision off of 84 West. This home contains 4 bedrooms and 2 ½ baths. With the master located downstairs and 3 large bedrooms and a bath upstairs this home is perfect for large families. The

grandroom and kitchen are open and there is a large island with a raised bar. There is also a powder room located on the ground floor for guests and a covered rear porch. This home is priced at \$234,000.

SPANN FARM DEVELOPMENT

Ron Reeves and Douglas Shaw of Spann Farm Development bring a depth of experience and youthful passion for quality design and construction. Spann Farm is one of the most recognizable developments when it comes to real estate in Dothan. We know that name carries an incredible privilege and responsibility for those who use it and we strive to live up to it in everything we do.

Ron A. Reeves obtained a Bachelor of Science Degree in Civil Engineering from Auburn University in 1992. Prior to obtaining an Engineering Degree, he worked with a residential home builder and as a surveyor for various projects. Upon graduation, he spent 6 years working at Couch Construction, Inc. in the roadbuilding and site work business on various commercial and residential developments throughout the Wiregrass. During part of his time, Mr. Reeves worked in the Construction Materials Division where he ensured concrete and block met specifications required by Architects, Engineers, and Contractors. In 1998, he went into business for himself and began practicing Civil Engineering on a variety of residential, commercial, industrial, institutional, and governmental projects to include several design-build projects.

Douglas Shaw obtained a Bachelor of Science Degree in Building Construction from Auburn University in 2010. Upon graduation, Douglas went to work for Ready Mix USA and handled all payables and receivables. In 2012, he helped form Couch Aggregates LLC which supplies sand and gravel from Birmingham down to the panhandle of Florida. Throughout his time at Couch Aggregates, Douglas handled the quality control for all products and helped manage costs throughout the company. Most recently, Douglas was involved with the development of the Lincolnshire Subdivision and the Grove Park Professional Center. He remains on the architectural review committee for both developments.

Mr. Reeves still owns and operates Reeves Engineering & Construction, LLC, but he and Douglas have started a new company to start development of residential and commercial properties as well as building quality construction products for their clients.

111 Oldbarn Lane • Spann Farm Subdivision
(334) 797-3754 • www.spannfarmdevelopment.com

\$598,145
4BR/4½BA
3859 SF

Located off 84 West in Dothan's premier Spann Farm subdivision, 111 Oldbarn Lane has all the modern features on a consumer's wish list. This home is equipped with smart home features and technology including home audio and an integrated security system with touch pad controls on exterior and interior doors.

111 Oldbarn Lane sits elevated on a one acre lot and includes 4 spacious bedrooms, 4 full baths, and one half bath. It is an open floor plan with 12-foot ceilings throughout the main floor. The

kitchen includes a large island, custom cabinets, stainless steel appliances, and granite counter tops. An arched entryway from the kitchen opens into the butler pantry that serves the adjacent dining room. The family room's beamed ceilings and built in cabinets highlight the fireplace. The large master bedroom with tray ceilings opens into the master bath with separate walk in closets, a soaking tub, and a large porcelain shower with luxury fixtures. On the second floor, you will find two bedrooms with their own full baths and large walk in closets. There is a spacious bonus room as well on the second floor. Outside, the large covered patio has everything needed to entertain including an outdoor kitchen with stainless steel appliances and a beautiful brick fireplace.

111 Oldbarn Lane is an energy-efficient home with 6-inch exterior stud walls to allow for added insulation and sound proofing as well as spray foam insulation in the roof. All interior walls and ceilings are insulated to provide a quiet setting in every room. Spann Farm Development hopes you enjoy touring this gracious 3,850 sqft home located in Spann Farm.

Looking for a great builder to help make your dream home a reality?
You can find the perfect partner through your local
Home Builders Association.

The Home Builders Association of Dothan & the Wiregrass Area has, since 1956, served as the central agency representing the interests and standards of builders, trade contractors, suppliers & other industry professionals in the wiregrass area.

The Association's 350 members build an average of 200 houses annually, and they dedicate themselves to the highest quality and service in their profession and as citizens. This is accomplished by overseeing professional building standards and adequate flow of building materials. We also monitor legislation that has an impact on housing on the local, state, and national levels. Opportunities for continuing education are available for the prospective home buyer and the building industry from both the state and national offices.
