

Coast Guard

[C] We're always ready for the call
We [F] place our trust in [C] Thee
Through [G7] surf and storm and [C] howling [Am] gale
High [G7] shall our [D7] purpose [G7] be
[C] "Semper Paratus" is our guide
Our [F] fame, our glory [C] too
To [G7] fight to save or [C] fight and [Am] die
[C] Coast Guard we [G7] are for [C] you!

Army

[C] First to fight for the right
And to build the nation's might
And the [G7] Army goes rolling a [C] long
Proud of all we have done
Fighting till the battle's won
And the [G7] Army goes rolling a [C] long

Then it's hi! hi! hey!
The [F] Army's on its [C] way
[Am] Count off the [D7] cadence loud and [G7] strong
For [C] where'er we [E7] go
[F] You will always [C] know
That the [G7] Army goes rolling a [C] long

Air Force

[C] Off we go into the wild blue yonder
[F] Climbing high into the [C] sun [G7]
[C] Here they come zooming to meet our thunder
[D7] At 'em boys, Give 'er the [G7] gun!
[C] Down we dive, spouting our flame from under
[F] Off with one helluva [E7] roar!
We [Am] live in fame or go [D7] down in flame
[C] Nothing'll stop the [G7] US Air [C] Force!

Marines

From the [C] Halls of [G7] Monte [C] zuma
To the shores of [G7] Tripo – [C] li
We [C] fight our [G7] country's battles
In the air, on [G7] land, and [C] sea
First to [F] fight for right and [C] freedom
And to [F] keep our honor [C] clean [G7]
We are [C] proud to [G7] claim the [C] title
Of United [G7] States Ma [C] rine

Navy

[C] Anchors a [Am] weigh, my boys
[C] an [G] chors a [C] weigh
[F] Farewell to [C] foreign shores
We [D] sail at break of [G] day-ay-ay-ay
[C] Through our last [Am] night on shore
[C] drink [G7] to the [C] foam
[F] Until we [C] meet once [Am] more, here's
[C] wishing you a [G7] happy voyage [C] home
