2006

OTHER AFFILIATIONS

Global Prisons Research Network, Member

2014 – present

Oxford University, Extra-legal Governance Institute, Associate Member

2013 – present

Global Crime, Editorial Board Member

2012 – present

RESEARCH INTEREST

My research uses comparative institutional analysis to examine how extralegal governance institutions form, operate, and evolve, and in particular, how people define and enforce property rights and trade in the absence of effective government.

BOOK

The Social Order of the Underworld: How Prison Gangs Govern the American Penal System. Oxford University Press, 2014.
