### \*\*\*NEW FOR 2018

- New venue. Due to the number of complaints we were getting on the horse stalls, we changed the site of the show to the North Iowa Event Center in Mason City, Iowa.
- If a youth has their own ILR ID #, please use this on the entry form instead of the animal owner's ID #. This will insure that the youth gets credited for their youth classes.
- We are no longer requiring health certificates; HOWEVER, if you are crossing state lines, it is YOUR responsibility to have them if necessary.
- North Iowa Event Center has a few rules that we were required to agree to in our contract. Please review those under the North Iowa Event Center Rules and abide by them.
- We are trying a different way of entering the show this year. The entry form is in a pdf format. Please save this on your computer as your last name and entry (lastnameentry), type in the information, resave it and email it as an attachment to [heartlandllamashow@gmail.com](mailto:heartlandllamashow@gmail.com). If you need additional sheets, save it as lastnameentry1, lastnameentry2, etc. You can then print it off and have a copy of your entry info. You will need to upload Acrobat Reader on your computer and this can be downloaded free at <https://get.adobe.com/reader/>. Hopefully, this will make the entry process easier on the exhibitors.
- Using the above entry means we will not be using show manager this show so we increased the show fees to \$5 per animal as ILR will then be responsible for inputting the entries into show manager.
- New event center contact and vet are also shown above.
- We also have T-shirts for sale this year at \$10.00. You can order on the entry form.

### BEST IN SHOW – PERFORMANCE

The five performance championship winners are eligible for this award. The champion with the highest number of points will win this award. The tiebreaker will be the highest number of points in the freestyle obstacle courses. Exhibitors in Novice and Advanced Performance must enter all three classes to be eligible for the performance champion.

### NOVICE PERFORMANCE GUIDELINES

6. Novice Performance Animals: Novice Refers to the animal's ability and not the ability of the handler.

a) Animals must show in the appropriate division. Eligibility requirements for animals to show in the Novice Division are outlined as follows:

1) A Novice Animal is defined as an animal who has not earned 4 or more Grand or Reserve Championships in any Performance division (Novice, Open, or Youth) in any Show Association or Open Show with a minimum of 5 in the division.

2) If a Novice Animal has moved to the Advanced division in any other Show Association, they must show in the Advanced division in the ILR-SD.

\*\*\*3) It is up to the Owner/Exhibitor to keep a record of their animal's placements and championships and to enter the animal correctly when entering ILR-SD Performance Classes.\*\*\*

4) Animals shown in the inappropriate division will be subject to having any placements, Awards, and Titles removed from them by the Governing Board.
