

David opened the meeting by thanking everyone who came and for all of their support during the year. He emphasized the club has no officers and we do this to prevent drama. If you want to ride and enjoy life we are the club for you.

We discussed the continuation of the 50/50 raffle. The group decided to continue with the raffle and instead of using it to pay for the member's dinners at Christmas time, the money will be given to a charity at the end of the year. Bridget made a motion to have two charities per year. June and Dec. She would like to see the June charity be a local organization such as the local food bank. Approved

We discussed how many rides the group wanted to go on per month. It was suggested that we conduct two rides per month. The first weekend and the third weekend will be our riding dates. The day we will ride will continue to rotate. The first Sun of the month will be our first ride. The third Saturday after the first Sunday will be our second ride. Approved

We discussed if we wanted to have breakfast or dinner runs during the summer. It was decided to have both during the summer. It was further suggested that the Bike Night could serve as our night ride. However this suggestion did not gather any momentum. So I will rotate the order of the rides during the summer. For example June will be Morning ride then an evening ride. July will be Evening Ride then Morning ride. Aug will be Morning Ride then an Evening ride. Sept will be Evening Ride then Morning ride. This way people who can't ride on a Sat or Sun equally get a chance to ride mornings and evenings. Approved

We discussed when to hold our Bike Night. It was decided to continue having the bike night on alternating Tues and Wed but since we are going to have a ride during the third week we will have the bike night during the second week. Approved

We discussed where to have our bike nights. Gary suggested we go to Logan's restaurant. David suggested we move the bike night to a different location each month. This was approved. Cheri suggested we wait until we try Logan's restaurant in Sanford and decide if we want to just stay there. This failed to gather momentum but the reality is we may not be able to go to a different restaurant every month so we may have to repeat some locations. I am going to try to keep the locations between 35 and 50 miles of Sanford.

The last item on our list was to decide where to go for our rides next year. We used to decide on where to go for the following year during our coast to coast ride. However we did not get very good participation on this ride. So David and I decided to change that to our Christmas meeting. The list of available rides was first published in May with a promise to add even more ride locations. In Oct the final list of rides was published on Facebook. I reminded everyone that we would not have time to discuss the rides during the meeting, so I asked for everyone to write down their top twenty rides for 2019. During the meeting I would collect them and compile a list of the rides which received the highest votes.

At the meeting I picked up 5 members lists. This is about the same level of participation we had when we did the coast to coast rides. Very disappointing. So here are the rides as requested by those members who completed the list.

Dinner arrived and the meeting concluded.

Date	Day	Location	Miles	Direction
6-Jan	Sun	Puddle Jumpers and Sugar Loaf Mountain Ride	80	W
16-Jan	Wed	Bike Night Logan's Roadhouse 4649 W St Rd 46, Sanford (407) 324-4123
