PART TIME Guidelines

To ensure classrooms are adequately staffed, the following guidelines are set for part time children:

- (1) As spaces fill in the classroom, part time parents will have the option to switch to full time before giving up their space
- (2) In order to provide adequate staffing, the days for part time must be consistent each week and may not fluctuate
- (3) Tuition should be paid on the last day of the week the child attends for the next weeks tuition
