Missionaries to the Local Churches of America

Spring 2016

Dear Pastor and Church Family,

We have been quite busy since the first of the year! In Texas, we have had meetings in Iowa Park, Wills Point, Fort Worth, Mesquite, Garland, Alvarado, Arlington, Texas City and Denton. We also had a meeting in Georgia. We have attended conferences in Oklahoma City, Mesquite, Fort Worth and Denton. We have been in a different church almost every Sunday and Wednesday since the beginning of the year and have had the privilege to preach and present our ministry in many of these. Three more churches have partnered with us in the last month with the promise of several others taking us on in the near future.

Several weeks ago we had the privilege of helping Central Baptist Church in Alvarado during their Friend Day. We helped clean and set up for the meal and were able to teach the Children's Church on their big day. We went to be a blessing to them, but I think we were the ones to receive the blessing! It was great to see the church working together for the cause of Christ and being able to be a part of that special day.

Our friend, Pastor Russell Brock, recently celebrated his one year anniversary at Rose Ave. Baptist Church. We drove over to celebrate with him and his church. We had a great time getting to know all of his people. The preaching was great and you could tell the Holy Spirit was working. During the invitation nine people raised their hands for salvation and five came forward to accept Christ as Saviour. We were able to help during the altar call and show these five young people how to be born again. Once again our hearts were blessed!

This past week we were in a Missions Conference at Amazing Grace Baptist Church. We had a wonderful week getting to know the people. On Thursday we went soul winning and were able to plant many seeds in Denton. On Saturday, we marched around the town square and sang praises to the Lord and passed out tracts. Ginger was able to lead a lady named Martha to the Lord while we were out. God did a great work in our hearts and the hearts of the people during the week. Two young men surrendered to the mission field and the church's Faith Promise Commitment went beyond their goal.

Thank you for all your prayers and support. It means so much to know that someone is lifting our name up in prayer. God has had his hand of protection on us as we travel. Praise the Lord! God has been teaching us many things and has provided for us all along the way. Please continue to pray for a truck to pull our camper.

For His Glory,

Todd and Ginger Steele
