

Dallas ISD Clever Publisher Requirements

The Dallas Independent School District will begin requiring that publishers work with Clever for the District's online and digital content solutions. We ask that publishers be compliant with the following requirements no later than the start of school 2017. Failure to comply with this request may result in exclusion from future Instructional Materials Selections within the Dallas Independent School District.

The District requires that instructional materials purchased by the District beginning with Proclamation 2014 and forward must comply with the full integration model of Clever no later than the start of school 2017. The subjects for this requirement include but are not limited to the following:

- Mathematics K-12
- Science K-12
- Reading Language Arts K-12
- Social Studies K-12
- LOTE K-12

The District requires that instructional materials purchased by the District beginning with Proclamation 2014 and on must comply at a minimum with the SSO and rostering model of Clever no later than the start of school 2017. The subjects for this requirement include but are not limited to the following:

- CTE
- Visual and Performing Arts
- Advanced Placement
- IB

As a District, we feel that compliance with these requirements will allow for more efficient access for our teachers and students to the digital learning world. We look forward to working with publishers as partners in providing the very best education for our students. Again, we ask that all publishers selected during the Proclamation 2017 adoption will work to meet these requirements as well as work to fulfill these requirements with other materials currently being used within the District that have been purchased beginning with the start of school 2014. As stated above, failure to comply with these requirements may result in disqualification from future adoptions and instructional materials purchases.
