## **KEEPING UP**

*\*\*Check [CCVFCA Website](#) for more information on topics in Flood Flash*

### **California WaterFix Releases Fact Sheet on Permit Actions**

Large infrastructure projects like California WaterFix require multiple and often concurrent regulatory review and permitting processes to obtain all of the necessary approvals before moving forward. California WaterFix has created an overview of the regulatory and permitting actions associated with it, in the form a 7-page fact sheet, titled [What Happens Next? California WaterFix State and Federal Planning and Permitting Process](#).
