### **August Meeting:**

John opened the meeting @ 7:00 PM. There were 28 members in attendance. Jerry said we have money. The August meeting minutes were read by Bruce and accepted. For new members the Club Web Site is as follows: <http://www.lrccky.com> The Newsletter section user id is: "charter" and the pass word is: "num895".

### **Old Business:**

All the old business has been taken care of to the best of our club's ability. I certainly hope that makes everyone happy!!!

### **New Business:**

Thanks to our Club officers and Board of Directors our Flying Field will continue to be maintained. Our runway grass will continue to be short and sweet.

What more can a member ask for?

John announced that there was news on one of the two housing developments being built next to our field gate. It will have 13 acres of natural buffer.

It was noted at the meeting that our Club needs to enforce the no fly outside the field boundaries on that side of the runway now!!!

Sonny, Dusty Plains, Elmer Glueit and Ray Darr are on their way to the Blue Ridge Mountains.

This is indeed Sonny's last Newsletter.

A motion was made at the meeting to unsecure the Newsletter on our web site and passed.

I think that is great.

See ya!!!!!!!

**September will be Sonny's last Newsletter. This will give some other Club member the opportunity to become the New Newsletter Editor.**

Sonny says Ahvitazane, Chooze!!!!

### **Reminders:**

AMA cards with the Club sticker must be displayed on ones person while flying at the field. There are card sleeves in the Club house in the file cabinet second drawer for members to use to pin or clip on.

This helps verify AMA insurance and Club membership.

Thank you for your compliance.

Guest may fly on three separate occasions before being required to join to fly as a Club member.

### **Club Merchandise:**

Jerry has hats \$10, shirts \$12, \$16 depending on size for sale at every meeting. If you have specific requests, contact John.

### **Whats Snew?**

Dan Gibson brought in a Phoenix Models high wing sonic from Tower Hobbies.

The sonic comes in both high and low wing versions. He has a 32 rim fire on his; but, it will fly with a 25. It has a 55 inch wing span. It is a very nice looking plain.

### **50/50:**

Venner Snitzell!!!!
