

It's a Wonderful Life: A Live Radio Play Cast List

Thank you all to who audition for *It's a Wonderful Life: A Live Radio Play*. I appreciate and admire all of the hard work you all put in preparing for your auditions- you made my job quite tricky! If you did not get cast please do not let it discourage you, I am looking for actors who are the best fit for the character and each play has a specific set of characters it requires. Keep in mind that our upcoming shows this year are very different from this show, and will have different needs. Remember that Turpin Theatre is place to grow as a whole theatre artist so we strongly encourage you to join a technical crew; it is the mission of the staff to ensure that the line between cast and crew becomes thinner with every show until it disappears altogether- we are one whole department.

All cast, crew, and production team members are asked to attend the **first read** on Tuesday October 2nd from 3:00-5:00 pm in the auditorium. Please bring a binder, highlighter, pencil, and water. It is critical for everyone who works on this show to understand it so we can best serve the story.

Please email Ms. Kean (LaurenKean@foresthills.edu) to accept or turn down your role.
