

Dear Prospective PHS Band Sponsor:

On September 17, 2022 @ 5 PM, the Phillipsburg High School Marching Band Boosters will host the annual Neil Boyer Festival of Bands. This long-standing tradition at Maloney Stadium in Phillipsburg gives local and regional bands a chance to showcase their talents and be recognized for their hard work.

With the support of local businesses, our students have an opportunity to raise money for the PHS Marching Band program
Please take a moment and return the enclosed sponsorship form today!

So far this year we have commitments from Marching Bands in the following areas:
New Jersey schools = North Hunterdon, West Orange, Westfield, Pompton Lakes, Linden
Pennsylvania schools = Bangor
And of course, our own Phillipsburg High School Marching Band
We hope to continue to add bands in the coming months.

We are offering you the opportunity to support this event as a sponsor or with an Ad, which will highlight not only your business, but your commitment to our band program. We have many sponsorship and Ad levels to choose from. Your sponsorship and/or Ad will be seen and/or heard by over 1,000 people from a wide demographic.

Your support is not only beneficial to this event, but also to the continuation of the PHS Stateliner Marching Band's success.
