## **President's Letter:**

**How time flies!**

It's September already. My sons and I were lucky and drew our muzzle loading antelope permits. So far, Ben is the only one to harvest but we still have time. I got to the National Rendezvous in Riverton on July 4th but it was just too hot to enjoy it. There were lots of camps and trader tents. The Memorial day shoot in Riverton turned out well as did the rendezvous at Encampment. Each had a good turnout with both traders and shooters.

Hope everyone enjoyed their summer. I myself am looking forward to some nice fall weather.

Thanks,  
Frank

2021 PRIMITIVE SHOOT

Hello everyone,

The turnout for the primitive shoot was a bit small compared to past years, but the competitors were all top notch- plenty of good scores were turned in.

I'll only list the top 3 for the primitive match, with 20 targets that would be too much typing for my old fingers.

Top score, Rich with 14 hits and also won the tie-breaker against Robert.

2nd place - Robert also with 14 hits, lost the tie breaker to Rich.

3rd place- Spencer with 12 hits.

Everyone had a good time, no whining and only moderate cussing.

Here are the results of the paper matches:

- |   |   |
|---|---|
| 1. Rusty trapper- Gary, score 48            | 2.-.40 cal & under - John, score 36         |
| 3. 50 yd single bull- Gary, score 31        | 4. - 25 yd. small bull - Robert score 46-x  |
| 5. 50 yd. slug gun target - Robert score 41 | 6. - 100 yd. single bull - Robert score 23  |
| 7. 50 yd. X-sticks- Robert score 46xx       | 8. - Men's pistol - Gary - score 93xx       |
| 9. Women's pistol- Linda, score 71          | 10.- Women's 25 yd rifle - Linda, score 39x |
| 11, 12- Juniors- no scores posted.          |   |

Our next monthly shoot for Sept. will be Sunday 09/12, to avoid conflicts with the Labor Day weekend  
Sponsor can be anyone who shows up or has some interesting ideas. See you there!

FOOD, GUNS, FUN

SEPTEMBER 17, 18 & 19

## RENDEZVOUS

Shortly after 1860 the story of the muzzle loading gun closes. This is the end of the trail for me. Not long after, newer cartridge guns came in, and the percussion system became antique. But the story is not completely over.

There are many thousands of us today who love the old guns. You see, even grown men sometimes can be youngsters at heart. There are a large number of clubs with members who preserve the past. Some of these are the "buckskinners."

Off and on during the year a camp is set up in an out-of-the-way place. It is a family gathering. Games are held for children. Shooting matches take place. Much time is spent in visiting at the campfires. Everyone has a good time at "Rendezvous". The word is an old trapper's term for get-together.

By now you realize that guns old or new, must be treated with the greatest respect. We must learn to live with them just as much as we do with modern hazards. Electricity, gasoline, chemicals, cars, trucks and many more things can be harmful, if we let them. Careful is a way of life

I hope to see you at a RENDEZVOUS.

## 40th ANNUAL RENDEZVOUS 2021

Rendezvous site with fire watch tower and kid's sawdust pile loaded with beads, coins, etc..

Rendezvous was a big success with a large turnout in primitive, traders and modern camping. Lots of shooters. Hawk and Knife were busy as ever with new winners showing how it was done. The kids had a great time. Paula Crozier with Ed Kennaday's help kept them busy. She even had them making homemade ice cream. Ed said this was the most kids ever. We hope everyone had a good time and want to see you back next year.

## Letter to the Editor from Sandy Ladwig

(First appeared in the Deer Creek Muzzle Loaders newsletter)

Deer Creek Muzzleloaders went all out this year at The Sierra Madre Rendezvous. Deer Creek Muzzleloaders had 15 adult members, and 4 sub juniors go to the Rendezvous. Everyone had a great time.

Most of the adults participated in the rifle shoot, some participated in the pistol shoot, and a few participated in the hawk throw, and three of the women participated in the frying pan throw.

Quite a few Deer Creek Muzzleloader members shot well enough to place in each category, and all sub juniors from Deer Creek did very well. They will be our future in this sport. And it is almost certain that they had more fun than all of the adults put together. Sierra Madre Muzzleloaders really support, the sub juniors, and juniors as well. Thanks to them, the little kiddos really had a great time.

The Sierra Madre Rendezvous does things a little different, but that is what makes it so much fun. Instead of getting a packet of targets to shoot, throughout the weekend, you get a target packet, but everyone shoots the same target at the same time. So, there may be 40 targets up on the backboard at one time. So hopefully, everyone remembers where they posted their target.

Competitions were sometimes fierce, and too close to call, but fun was had by all.

Competitions for the weekend included Rifle, Pistol, Hawk Throw, Knife Throw, Frying Pan Throw, Fire Starting, and Fire Council. They even had a trader's blanket for the kids. That was something the little kids talked about the whole weekend. If they wanted to participate they had to put an item on the trade blanket. Some of the kids were even making items, like out of leather, to trade. The most fun the kids had is when they were trading with the adult traders to put a better trade item down on the blanket. They were always trading up. Its amazing what the adults show them how to do something and they pick it up, and they are better at it than the adults.

Traders from all over are also invited to come out and set up their trade tents during the rendezvous.

Sierra Madre Muzzleloaders works with the town of Encampment, for funding and are very blessed to have extra money to put toward great prizes to be won. A lot of hard work must be involved, and when they get done with one year, there is never a break, as they will get started for the next up coming year.

The same weekend for the Rendezvous also co insides with the museum, for their Living History Days. This is where the public is invited to come to the museum and learn about what it was like for settlers back in 1840. They do a great job working together with The Sierra Madre Muzzleloading Club for that weekend.

So if you would like a fun rendezvous to attend, plan on the Sierra Madre Rendezvous for next year.  
Happy Trails....
