## In the Spotlight

by Kim Whitehead

When you are in Cascade at Leisuretime this year if you happen to run into Gretchen Beatty, please take the time to thank her for her service on the Board these past few months.

"in

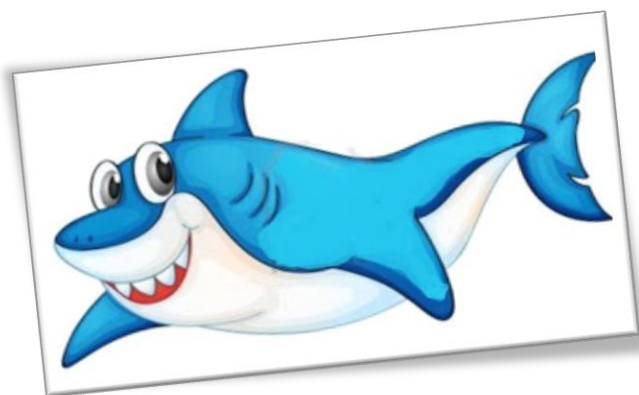

She stepped up and helped when the Board had numerous resignations and spent many hours working on projects for the Board. Being on the Board can be time consuming and often a thankless job, so at this time I would like to say Thank you Gretchen. Your efforts are appreciated.

## Election Information

by Kim Whitehead

Elections for the board will be here before you know it. Nomination forms will be sent out May 12. As you are aware the proxy system has been changed so that each and every lot owner will get a ballot and be able to vote in the election. After nominations are received all nominees will be contacted by the board to make sure they want to run in the elections. This is a good time to make sure your phone number is current. After nominations are sent and candidates are verified that they want to run, ballots will be printed and sent out on June 20<sup>th</sup>. Once you

receive your ballot you will have until July 18<sup>th</sup> to return it to Riverside. The annual meeting will be held on July 23<sup>rd</sup>. All candidates will have access to the pavilion on July 3<sup>rd</sup> to be able to talk with any potential lot owners.

Like I said, I love to brag about mine but I am willing to let someone else have a little space in the newsletter if they would like to submit photos. The above photo is of my grandsons Ayden (3) and Calvin (1). We are celebrating both of the boys' birthdays. Picture to the left are Abbie and Penny.

# Welcome

by Kim Whitehead

## Keep an eye out

We are in the process of getting the year started. Some items to watch for in the next few days which will be posted on our website are:

Clean up – We are looking for volunteers to schedule a Park clean-up day for June 4<sup>th</sup>. It will include curbside yard debris service on that day along with a BBQ. Anyone interested in volunteering email [ltrvcascade@gmail.com](mailto:ltrvcascade@gmail.com) by May 15<sup>th</sup>.

Rental committee – We will be looking for volunteers to put forth ideas on the best way to deal with rentals. This will be done to try and reduce problems with renters. Anyone interested in being part of this committee, please email [ltrvcascade@gmail.com](mailto:ltrvcascade@gmail.com) and put rental committee in the subject line.

# Editor's Note

Let me begin this section by telling you about a person who means the world to me. Her name is Peggy and she is my Aunt. This woman sees the best in everyone. When you are around her she makes you feel as if you are the most important person alive. It doesn't matter if you are family or someone she just met. You are always welcome in her house.

(My sister Tammy, Aunt Peggy and myself.)

This picture was taken in 2004 at my parent's surprise 40<sup>th</sup> Anniversary party that the 3 of us had planned. We had such a wonderful time and my parents didn't have any idea. My now husband Steve and I went to Las Vegas that year and got married. When we returned we had my parents convinced that the party was our reception. Those are such great memories. She truly was a wonderful person and I will miss her greatly. We had such fun planning parties together and getting together for lunch. She truly was an inspiration. This is the reason for not getting a newsletter out in April and for this I apologize. But as you can imagine my heart wasn't in it. It has been difficult with the death of my Aunt Peggy. There are days that I think about her and still

can't imagine life without her. But the one thing I do know is she wouldn't be happy if anyone was sad for too long. She lived an amazing life and I will cherish all the times we spent together and miss her each and every day.

"Every man's life ends the same way. It is only the details of how he lived and how he died that distinguish one man from another."

—Ernest Hemingway
